Mary Gretchen C. Nelson, 2012 For many believers Mary has become one of many characters of the nativity story In truth the story of the mother of Jesus means so much more Her journey of faith and obedience is representative of the path each believer must travel Just as Mary accepted the honor of carrying the baby Jesus we too must receive the invitation to carry His Spirit and walk with Him Join author Gretchen C Nelson as she paints a vivid picture of Mary the mother of Jesus and brings her remarkable and timeless story to life

A Handbook on the Jewish Roots of the Gospels Craig Evans, David Mishkin, 2022-02-22 Is it even possible to say anything new about Jesus of Nazareth Disciples and detractors alike have been weighing in for two thousand years Scholarship in the last fifty years has been greatly enhanced by the recognition of the Jewishness of both the historical Jesus and the life and teachings of the apostle Paul But the Gospels themselves the texts that preserve the words and deeds of Jesus have not been subject to the same level of consideration in this regard Until now This book surveys the historical theological and practical issues that arise when the Gospels are read as Jewish literature So yes there is something new here about Jesus The Jewish context of Jesus and his movement is better understood today thanks to archaeology the ongoing publication of ancient texts and changes in the way scholars think about Jewish society in late antiquity *A Handbook on the Jewish Roots of the Gospels* whose contributors are well known in the field updates all of the relevant topics relating to Jesus and the Gospels in light of these exciting new developments A companion to *A Handbook on the Jewish Roots of the Christian Faith* ISBN 9781683071648 the book is split into five sections Textual Roots Intertextual Roots Narrative Roots Theological Roots Intercultural Roots Written by an international group of Jewish and Gentile followers of Jesus as Messiah *A Handbook on the Jewish Roots of the Gospels* is for all who want to learn more about these four biblical accounts and how they portray the man from Nazareth within his own historic and cultural setting Contributors include Daniel M Gurtner Darrell Bock Craig A Evans Sheila Gyllenberg Craig L Blomberg Eckhard J Schnabel

Catherine Sider Hamilton David Mishkin Mark L Strauss Michael L Brown and more *Unlikely Converts* Randy Newman, 2019-07-30 Rely on the unstoppable power of the gospel not your own words Most Christians have people in their lives who they're sure will never come to faith Whether they're too committed to their sinful ways too angry at God or too quick to shut down any mention of the saving grace of Jesus these long shots don't seem worth approaching But some of the most unlikely converts have the strongest faith stories and they can be a source of incredible encouragement for Christians who are trying to evangelize those around them Randy Newman knows firsthand the discomfort that comes with sharing the gospel He's been tongue tied and timid too But the truth is we don't need to sound like the brilliant charismatic legendary evangelists In this book Randy shares surprising conversion stories straight from those who took the long way around to Christianity He considers current cultural trends that make evangelism more difficult today Then with his characteristic upbeat style he offers practical ways and even exact wording to proclaim the gospel and includes a plan of action In the end *Unlikely Converts* encourages us to remember that while the Great Commission requires us to share the good news it does not require perfection only confidence in the message *The Watchman-examiner*, 1925 *Show Me How to Share the Gospel* R. Larry Moyer, 2019-03-21 Drawing upon over thirty five years of experience in evangelism Larry Moyer introduces readers to the exciting reality that believers can learn how to share the Gospel with others clearly and confidently If someone introduced you to the most rewarding thing in life would you take it Of course And that's just what we have to offer to others Introducing Jesus Christ to someone is not only the most important thing you could do for them but also the most personally rewarding thing you could do for yourself Even if you think evangelism isn't for you this step by step resource shows you how to start and nurture an evangelistic life style *The Mennonite*, 1929 *The Making of a Disciple* Edward W. Watson, Martin M. Culy, 2021-09-02 Modern readers sometimes view the Gospels and other biblical narratives as mere historical accounts of events that occurred long ago Biblical narratives however are intended to do far more than teach us history They are intended to change how we think and how we live In *The Making of a Disciple* Watson and Culy use insights from narrative criticism to show that the message of the Gospel of John is communicated not only through the teachings and deeds of Jesus but also through the actions of the other main characters and the consequences of their actions As readers observe characters interacting with Jesus they are implicitly encouraged to either emulate or avoid their behavior Coupled with the teachings and acts of Jesus these characters serve as potent tools in the Gospel of John to showcase what it looks like not only to become a disciple of Jesus but also to grow to maturity and experience the fullness of joy that Jesus offers *The Report of the London Missionary Society ...* London Missionary Society, 1918 *But Now Am Found* Jon Kirkpatrick, 2017-02-24 These true life stories are related to the parable Jesus told in Luke chapter 15 The Good Shepherd where Jesus leaves the larger group to find the one that is lost We all at one point in our lives are lost sheep As a result The Good Shepherd calls each one of us to a personal relationship with Him Sometimes it is simple Sometimes it seems He calls

them with great personal upheaval Either way He calls everyone individually Read about the road each person traveled and see how God intervened at times until He finally made a call which they accepted These are interesting and heartwarming accounts You will be amazed to read about the many turns some have made going far from God then read how He drew them close It will make you reflect on your own story of how God is calling or has called you **The Human Tradition in**

Living Church, 1911 **When Sorrow Comes** Melissa M. Matthes, 2021-04-13 Since World War II Protestant sermons have been an influential tool for defining American citizenship in the wake of national crises In the aftermath of national tragedies Americans often turn to churches for solace Because even secular citizens attend these services they are also significant opportunities for the Protestant religious majority to define and redefine national identity and in the process to invest the nation state with divinity The sermons delivered in the wake of crises become integral to historical and communal memory it matters greatly who is mourned and who is overlooked Melissa M Matthes conceives of these sermons as theological political texts In *When Sorrow Comes* she explores the continuities and discontinuities they reveal in the balance of state power and divine authority following the bombing of Pearl Harbor the assassinations of JFK and MLK the Rodney King verdict the Oklahoma City bombing the September 11 attacks the Newtown shootings and the Black Lives Matter movement She argues that Protestant preachers use these moments to address questions about Christianity and citizenship and about the responsibilities of the Church and the State to respond to a national crisis She also shows how post crisis sermons have codified whiteness in ritual narratives of American history excluding others from the collective account These civic liturgies therefore illustrate the evolution of modern American politics and society Despite perceptions of the decline of religious authority in the twentieth century the pulpit retains power after national tragedies Sermons preached in such intense times

of mourning and reckoning serve as a form of civic education with consequences for how Americans understand who belongs to the nation and how to imagine its future

A Missiology of the Road J Kevin Livingston, 2014-09-25 David Bosch 1929-1992 was one of the foremost mission theologians of the twentieth century a prolific scholar committed church leader and active participant in the global conciliar and evangelical mission movements His distinctive role in the South African church's struggle against apartheid is less well known however After reviewing Bosch's background and exploring key themes in his understanding of mission and evangelism Livingston explores Bosch's legacy from the perspective of the missionary nature of the church The church is God's kingdom community acting as a witness to and instrument of the coming reign of God The church is God's alternative community simultaneously set apart from the world but also existing for the sake of the world exemplifying the radical implications of Christ's new community It is also God's reconciled and reconciling community serving as a sign and embodiment of God's love in Christ For those acquainted with Bosch only as the author of his magisterial *Transforming Mission* A Missiology of the Road shows how Bosch integrated his theology and practice in a faithful contextually relevant way within South Africa and the global church

J. Gresham Machen Ned B. Stonehouse, Machen's place within the history of our times and especially of the twenties and thirties has been so conspicuous that his life will continue to be of interest so long as men reflect upon the religious and ecclesiastical developments of the first half of the twentieth century Even writers whose viewpoints were antithetical to his own including the caustic sceptic H L Mencken the idealistic but agnostic Pearl Buck and the penetrating Unitarian Albert C Dieffenbach acknowledged that he towered above his contemporaries in strength of character and fidelity to principle There were also those who could mark the deeper channel of his life such as Caspar Wistar Hodge his colleague and friend at Princeton who characterized him at the time of his death as the greatest theologian in the English speaking world and the greatest leader of the whole cause of evangelical Christianity Machen will continue to attract attention however not only because of his place in the history of recent decades For by his deeds and words he set in motion spiritual forces which have not spent their strength And if as one observer who is to speak forth in these pages said he was a saint of God who loves truth seeks truth finds truth and upholds truth against all adversaries however mighty his witness cannot perish As a testimony to the truth it may still serve to arouse the consciences of men of this day and may break forth with fresh intensity and power in the future

The Great Southern Babylon Alecia P. Long, 2005-09 With a well earned reputation for tolerance of both prostitution and miscegenation New Orleans became known as the Great Southern Babylon in antebellum times Following the Civil War a profound alteration in social and economic conditions gradually reshaped the city's sexual culture and erotic commerce Historian Alecia P Long traces sex in the Crescent City over fifty years drawing from Louisiana Supreme Court case testimony to relate intriguing tales of people both obscure and famous whose relationships and actions exemplify the era Long uncovers a connection between the geographical segregation of prostitution and the rising tide of racial segregation She offers a compelling

explanation of how New Orleans's lucrative sex trade drew tourists from the Bible Belt and beyond even as a nationwide trend toward the commercialization of sex emerged And she dispels the romanticized smoke and perfume surrounding Storyville to reveal in the reasons for its rise and fall a fascinating corner of southern history The Great Southern Babylon portrays the complex mosaic of race gender sexuality social class and commerce in turn of the twentieth century New Orleans Long brilliantly charts the historical roots and evolution of the culture of commercial sexuality in New Orleans The result is a landmark book all should read Darlene Clark Hine coauthor of A Shining Thread of Hope The History of Black Women in America **Greek Mind/Jewish Soul** Victor H.
