The Knight And His Shadow African Humanities And The Arts:

The Knight and His Shadow Boubacar Boris Diop, 2015-01-01 A brilliant tour de force *The Knight and His Shadow* tells the tale of Lat Sukab's quest to find his former lover Khadidja who writes him to come before it's too late As Lat Sukab recounts his past with Khadidja reality shapeshifts and takes on a dreamlike quality He describes how Khadidja is hired by a wealthy stranger to sit before an open door and tell stories into an uncertain darkness unable to see the person to whom she speaks Like Lat Sukab and Khadidja the reader feels farther from home with every page as the world turns and morphs With those shifts the symbolic order the basis of meaning and sanity begins to tremble Postmodernist sensibilities meet postcolonial concerns in this lyrical novel from a master of Senegalese literature [Arts & Humanities Citation Index](#), 1995 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world's leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals **Black Writers** Linda Metzger, 1989 Biographical and bibliographical entries on some 400 black authors active in the 20th century Some of the sketches are updated from Gale's Contemporary authors series others were written especially for this volume Covers not only contemporary American authors but also earlier 20th century writers social figures e g Malcolm X Desmond Tutu and important African and Caribbean writers In addition to the descriptive personal and career information there are illuminating biographical critical essays including comments often by the authors themselves on personal interests aspirations motivations and thoughts on writing Annotation copyrighted by Book News Inc Portland OR

Routledge Handbook of Art, Science, and Technology Studies Hannah Rogers, Megan Halpern, Dehlia Hannah, Kathryn de Ridder-Vignone, 2021-12-22 Art and science work is experiencing a dramatic rise coincident with burgeoning Science and Technology Studies STS interest in this area Science has played the role of muse for the arts inspiring imaginative reconfigurations of scientific themes and exploring their cultural resonance Conversely the arts are often deployed in the service of science communication illustration and popularization STS scholars have sought to resist the instrumentalization of the arts by the sciences emphasizing studies of theories and practices across disciplines and the distinctive and complementary contributions of each The manifestation of this commonality of creative and epistemic practices is the emergence of Art Science and Technology Studies ASTS as the interdisciplinary exploration of art science This handbook defines the modes practices crucial literature and research interests of this emerging field It explores the questions methodologies and theoretical implications of scholarship and practice that arise at the intersection of art and STS Further ASTS demonstrates how the arts are intervening in STS Drawing on methods and concepts derived from STS and allied fields including visual studies performance studies design studies science communication and aesthetics and the knowledge of practicing artists and curators ASTS is predicated on the capacity to see both art and science as constructions of human knowledge making Accordingly it posits a new analytical vernacular enabling new ways of seeing understanding and thinking

critically about the world This handbook provides scholars and practitioners already familiar with the themes and tensions of art science with a means of connecting across disciplines It proposes organizing principles for thinking about art science across the sciences social sciences humanities and arts Encounters with art and science become meaningful in relation to practices and materials manifest as perceptual habits background knowledge and cultural norms As the chapters in this handbook demonstrate a variety of STS tools can be brought to bear on art science so that systematic research can be conducted on this unique set of knowledge making practices *Cornell University Courses of Study* Cornell University,2002
