The Last Orphan Train:

The Last Orphan Train Mike Lapinski, 2014-10-28 Clint Henley's atonement began on a sultry Chicago night in 1937 when a cherry red Ford coupe eased to the curb at Maxwell Street's infamous Runaway Central. George Yustice eyed his prey through the windshield as two frightened young girls edged closer. Yustice leaned across the seat and said, "Hey girls, ya wanna?" But the words died in his throat as the windshield exploded and he gaped at the powerfully built young man, axe in hand, a berserk look in his eye. And Yustice was never seen again. Optimists claimed he probably left town in a hurry that night, while pessimists smirked that he probably ended up in a nearby rendering vat. But Clint wasn't always a raving maniac. Once he was innocent and loving a momma's boy. But when his mother died, the bewildered lad was discarded by a callous stepfather to an orphanage where his life became a nightmare. He desperately sought to escape aboard one of the last Orphan Trains headed West, even allowed himself to hope for a good family. Instead, he got a monster. And it built in him a seething anger that exploded into a rage so great that he could not forgive himself for the vengeance he'd wrought, but God did.

The Last Orphan Train F.M. Parker, The Last Orphan Train aka The Girl in Falling Snow. Alice Childs, a strikingly beautiful thirteen-year-old girl, immigrates with her mother to America from London. During a black night in the voyage across the sea, Alice's mother is murdered. Now an orphan and penniless, Alice arrives in New York where she must survive on the dangerous streets by her wits and courage. She is arrested for stealing food for her starving little friend Gracie. Released into the custody of the nuns of the Catholic Church Children's Aid Society, she is transported to Minnesota on the last of their Orphan Trains. There she falls into the hands of people brutal and vile and must fight the two men who attack her. Frightened, hungry, freezing, she flees into the snow-covered wilderness of northern Minnesota and tries to reach sanctuary in Canada. She is pursued by the sadistic rapist Taggart. During her journey, Alice encounters the half-crazy Will, also fleeing north to Canada, the black-faced wolf that is drawn to follow her because of her female scent, and the young fur trapper Paul and his mighty wolf hound Brutus. Exhausted and freezing, Alice reaches the frozen Rainy River. Crossing the ice, she falls through and becomes trapped beneath it. She is rescued by Paul. She and Paul and Brutus and the black face wolf and the killer Taggart meet in a final battle of survival.

Orphan Trains Stephen O'Connor, 2014-11-04 The true story behind Christina Baker Kline's bestselling novel is revealed in this engaging and thoughtful history of the Children's Aid Society. Los Angeles Times: A powerful blend of history, biography, and adventure, *Orphan Trains* fills a grievous gap in the American story. Tracing the evolution of the Children's Aid Society, this dramatic narrative tells the fascinating tale of one of the most famous and sometimes infamous child welfare programs: the orphan trains, which spirited away some two hundred fifty thousand abandoned children into the homes of rural families in the Midwest. In mid-nineteenth-century New York, vagrant children, whether orphans or runaways, filled the streets. The city's solution for years had been to sweep these children into prisons or almshouses. But a young minister named Charles Loring Brace took a different tack. With the creation of the Children's Aid

Society in 1853 he provided homeless youngsters with shelter education and for many a new family out west The family matching process was haphazard to say the least at town meetings farming families took their pick of the orphan train riders Some children such as James Brady who became governor of Alaska found loving homes while others such as Charley Miller who shot two boys on a train in Wyoming saw no end to their misery Complete with extraordinary photographs and deeply moving stories Orphan Trains gives invaluable insights into a creative genius whose pioneering if controversial efforts inform child rescue work today

Orphan Trains Rebecca Ann Langston-George,2016-10-01 Discover the true story of seven orphans who were settled with families in the Midwest by the Children s Aid Society Last Train Home Renée Wendinger,2014-02-14 LAST TRAIN HOME is an American story about cultural identity and family history set during the nineteenth century at a time when America received an enormous influx of immigrants and a quarter of a million children were sent west from East Coast cities to America s heartland by orphan train The story highlights a little known but historically significant moment in our country s past by tracing the individual journeys of two children Johnny and Sophia to bring about the distinction of these children to find families and homes A true story of friendship and discovery Last Train Home weaves individual riders stories into a powerful tale of upheaval and resilience of second chances and triumph over tribulation building strength of mind and character into an incredible reserve Children of the Orphan Trains Holly Littlefield,2001-01-01 Recounts the experiences of abandoned orphaned or homeless children from city orphanages in the nineteenth and early twentieth centuries who were sent out by the trainload to find families that would adopt them or take them as workers Orphan Train Christina Baker Kline,2013-04-02 Orphan Train tells the story of the unlikely friendship between Molly Ayers a foster kid hoping to avoid juvie and Vivian Daly the elderly woman she has been assigned to help Shared experience serves to unite them as it comes to light that the aged Vivian spent time on orphan trains which ran regularly from the cities of the East Coast to the farmlands of the Midwest from 1854 to 1929 carrying thousands of abandoned children whose fates would be determined by pure luck The subject matter will grab students attention because so few people know about this particularly heartbreaking piece of American history and the novel s message of resilience and unlikely bonds will carry them through Freshman Common Read University of Alabama Honors College University of St Thomas *Last Train Home* Renée Wendinger,2014-10 A Dickensian novella based on true life facts and characters regarding the largest mass migration of children known as the orphan trains History culture and geography celebrate the survival of these children by weaving the individual stories of two children into triumph over tribulation building strength of mind and character into an incredible reserve The Orphan Trains Alice K.
