A New Orleans Voodoo Priestess Carolyn Morrow Long,2007-10-07 Against the backdrop of eighteenth and nineteenth century New Orleans A New Orleans Voodoo Priestess The Legend and Reality of Marie Laveau disentangles the complex threads of the legend surrounding the famous Voodoo priestess According to mysterious oft told tales Laveau was an extraordinary celebrity whose sorcery fueled influence extended widely from slaves to upper class whites Some accounts claim that she led the orgiastic Voodoo dances in Congo Square and on the shores of Lake Pontchartrain kept a gigantic snake named Zombi and was the proprietress of an infamous house of assignation Though legendary for an unusual combination of spiritual power beauty charisma showmanship intimidation and shrewd business sense she also was known for her kindness and charity nursing yellow fever victims and ministering to condemned prisoners and her devotion to the Roman Catholic Church The true story of Marie Laveau though considerably less flamboyant than the legend is equally compelling In separating verifiable fact from semi truths and complete fabrication Long explores the unique social political and legal setting in which the lives of Marie Laveau s African and European ancestors became intertwined Changes in New Orleans engendered by French and Spanish rule the Louisiana Purchase the Civil War Reconstruction and Jim Crow segregation affected seven generations of Laveau s family from enslaved great grandparents of pure African blood to great grandchildren who were legally classified as white Simultaneously Long examines the evolution of New Orleans Voodoo which until recently has been ignored by scholars
