clashed with farming tribes and then challenged the Comanches and Kiowas for their hunting grounds Next the decade long conflict with Mexico merged with war against Indians For fifty years Texas remained in a virtual state of war Piercing the very heart of Lone Star mythology Anderson tells how the Texas government encouraged the Texas Rangers to annihilate Indian villages including women and children This policy of terror succeeded by the 1870s Indians had been driven from central and western Texas By confronting head on the romanticized version of Texas history that made heroes out of Houston Lamar and Baylor Anderson helps us understand that the history of the Lone Star state is darker and more complex than the mythmakers allowed *Unreconstructed* Carin Peller-Semmens,2025-09-15 Carin Peller Semmens s Unreconstructed grapples with the longstanding systemic effects of white supremacist brutality in northwest Louisiana highlighting the constancy of racial subjugation in one of the most violent areas of the South Tracing the commitment of the region s white slaveholders to racial violence from antebellum enslavement through to Reconstruction Peller Semmens unearths the durable ideology of mastery in the Red River region She demonstrates that white supremacy and vigilante violence were slaveholding recloaked and became effective calibrated tools of political social and economic control during Reconstruction White supremacist violence demonstrative controlling and visceral attempted to redress mastery and subjugate and subdue newly emancipated Black individuals imposing parameters on freedom Unreconstructed shows that white violence and racial control were foundational elements of the regional ideology and identity that Reconstruction galvanized This ideology of mastery transcended class creating a shared ethos steeped in racist behavior that remained crucial to postwar conceptions of white selfhood Barbarity harnessed boldly and overtly formed the apex of a diversified campaign of persistent violence that chipped away at freedpeople s experience of freedom and resulted in several seismic incidents of racial violence including the massacres at Shady Grove Colfax and Coushatta Peller Semmens s arguments concerning racial power structures speak to race issues prevalent in America today contributing significantly to a vibrant discourse on the inheritances of slavery and Reconstruction Indeed the implications of Reconstruction violence in this region still reverberate nationwide making this corner of the South integral to the larger narrative of southern racism white supremacy and segregation Report of the Board of State Engineers of the State of Louisiana to ...
