Redpilled in 20s Conrad Riker, *Stuck Earning Peanuts While Others Dominate: Wake Up! Why do you work harder but earn less than peers who get it? How can women claim to want equality yet reject men who lack traditional strength? What leadership secrets turn boys into men who control their destiny?* This book arms you with the biological truths about women that explain attraction and behavior. Income multiplication systems exploiting overlooked market gaps. Leadership frameworks bypassing modern toxic masculinity traps. Social power dynamics decoded through logic, not emotion. Financial independence tactics tailored for your prime earning years. Rational methods to command respect without weakness. Hard data debunking gender equality myths. Battle-tested strategies for navigating high-stakes social environments. If you want to crush mediocrity, multiply your wealth, and lead unapologetically, then buy this book today. [The Myth of The Bonbons](#) Jennifer Johnston, 2006-03 From early adolescence, I had committed myself to joining the seemingly growing legions of women pumping their fists with a can-do spirit and a perfect balance of career and family. I fancied myself a textbook candidate for the League of Female Marvels until the narcolepsy and nausea set in, and I chickened out. Sacrificing a few rungs on the corporate ladder to stay home and be a Full-Time Mom (FTM) surely would prove a noble, not to mention more orderly, move. And think of all the discretionary time and energy. Cue laughter. Except within those rare, close-knit and blackmail-toting friendships, the more maddening yet equally funny stories of motherhood are seldom shared until now. From sex to sippy cups, the stories contained herein are told with candor, albeit through the eyes of a woman with a slight flair for the dramatic. Still, you may find them to serve as a mirror, a memoir, or a medicine to your own life or that of any mom with whom you've ever lived. Occasionally sweet, always straight. *The Myth of The Bonbons* will strike a nerve with many women and the men who find a well-timed placement of it on their nightstands. *The Warriors* BradyGames (Firm), 2006 Based on
