Spoonful Of Sugar Original Orchestra Score:

Something to Live For Walter van de Leur, 2002-01-31 Duke Ellington was one of jazz's greatest figures a composer and bandleader of unparalleled importance and influence But little attention has been given to his chief musical collaborator Billy Strayhorn who created hundreds of compositions and arrangements for his musical partner and without whom the sound of Ellington's orchestra would have been very different Now in Walter van de Leur's provocative new book *Something To Live For* Billy Strayhorn steps out from Ellington's shadow and into the spotlight Van de Leur argues that far from being merely a follower of Ellington or his alter ego Strayhorn brought a radically new and visionary way of writing to the Ellington orchestra Making extensive use for the first time of over 3 000 autograph scores Van de Leur separates Strayhorn from Ellington establishes who wrote what and clearly distinguishes between their distinctive musical styles Both Strayhorn's and Ellington's oeuvres writes Van de Leur though historically intertwined nevertheless form coherent separate musical entities especially in terms of harmonic melodic and structural design Indeed *Something to Live For* allows us to see the characteristic features of Strayhorn's compositions and arrangements his musical fingerprints and to analyze and evaluate his music on its own terms The book also makes clear that Strayhorn's contribution to the band was much larger and more original than has been previously acknowledged Based on a decade of research and offering detailed analyses of over 70 musical examples *Something to Live For* casts new light and will surely arouse intense debate on two of the most important composers in the history of jazz

The Spirit and the Screen Steven Félix-Jäger, Chris E. W. Green, 2023-05-15 *The Spirit and the Screen* engages contemporary films from the perspective of pneumatology to give theologians of culture fruitful new perspectives that begin with the Spirit rather than other common theological contact points Christology anthropology theological ethics creation eschatology etc This book explores pertinent pneumatological issues that arise in film as well as literary devices that draw allusions to the Spirit It offers three main contributions first it explores how Christian understandings of the person and work of the Spirit illuminate the nature of film and film making second it shows that there are in fact Spirit figures in film as distinct from but inseparable from Christ figures even if sometimes they're not intended as such Spirit-led characters are moved to act prophetically against their inclinations and in excess of their skill or knowledge and with eccentric life giving creativity third it identifies subtle and explicit symbolizations of the Spirit in pop culture symbolizations that require deep careful thinking about the Christian doctrine of the Spirit and generate new horizons for cultural analysis The contributors of this book explore these issues asking how Christian convictions and experiences of the Spirit might shape the way one thinks about films and film making

Making Mary Poppins Todd James Pierce, 2025-11-11 The untold story behind a beloved classic *Making Mary Poppins* reveals the extraordinary true story behind the creation of one of the most beloved films of all time and the two little known songwriters who helped make it possible Long before Mary Poppins danced across the rooftops of Edwardian London and into the hearts of millions Robert
