and its expansion and position on the international stage **Sports in Africa, Past and Present** Todd Cleveland, Tarinder Kaur, Gerard Akindes, 2020-10-20 These groundbreaking essays demonstrate how Africans past and present have utilized sports to forge complex identities and shape Africa's dynamic place in the world. Since the late nineteenth century, modern sports in Africa have both reflected and shaped cultural, social, political, economic, generational, and gender relations on the continent. Although colonial powers originally introduced European sports as a means of civilizing indigenous populations and upholding then-current notions of racial hierarchies and muscular Christianity, Africans quickly appropriated these sporting practices to fulfill their own varied interests. This collection encompasses a wide range of topics, including women footballers in Nigeria, Kenya's world-class long distance runners, pitches and stadiums in communities large and small, fandom and pay to watch, kiosks, the sporting diaspora, sports pedagogy, sports as resistance, and as a means to forge identity, sports heritage, the impact of politics on sports, and sporting biography Sport Heritage Gregory Ramshaw, 2017-10-02 Sport has become an important avenue in how we interpret, remember, and maintain our heritage. Whether it is being applied in tourism, marketing, and development, employed as a vehicle for social cohesion, or utilized as a way of articulating personal and collective identities, sport heritage is a vital topic in understanding what we value about the sporting past, now, what we wish to pass on to future generations. This edited collection brings together many new and exciting international approaches to sport heritage. Each of the chapters in this collection provides a thought-provoking sport heritage case study that would be of interest to students and researchers in history, geography, anthropology, and marketing, as well as industry practitioners working at sporting events, at sports-based heritage attractions such as museums and halls of fame, and at sports stadia and sports facilities. In addition, this collection would also be of interest to those readers with a more general interest in sport heritage and the sporting past. This book was published as a special issue of the Journal of Heritage Tourism Modern Sports around the World David Asa Schwartz, 2021-06-14 This superbly written volume will appeal to sports and physical education students, researchers in foreign policy, gender studies, history, politics, sociology, and technology, and general high school and college readers who enjoy the odd sports history factoid. Library Journal: Sports have become an international spectacle that influences nations, foreign policy, world economies, and regional morale. Hundreds of billions of dollars are at stake as governments and multinational corporations rush to make sure they have a place at the table. And yet sports come from humble beginnings. We are fascinated by who can run the fastest, lift the most weight, jump the highest, swim the farthest, and act with the most precision. The history of sports is the history of the world. Each chapter features one sport and details that sport's origins, global migration, economic forces, media influences, political environment, pop culture inspirations, scandalous moments, and key individuals. Sports history is a tapestry of sociological variables; this text weaves them together to create a unique history book that explains not only where humanity has been but where it might be going Sport in Museums Kevin Moore, John Hughson, Christian Wacker, 2022-06-24 This book explores in breadth and depth the role of sport

in museums It surveys the history of sport in museums including the growth in sport museums and halls of fame driven by major sports teams and sport organisations The book considers the humanistic benefits of the promotion of sporting heritage within museums and presents cases museums stories and best practice from around the world Sport in Museums is essential reading for all students researchers curators and historians with an interest in sport It is also a useful resource for researchers and advanced students working in museum studies heritage studies or cultural history Cricket, Public Culture and the Making of Postcolonial Calcutta Souvik Naha, 2023-02-16 What prompts common people to kill a guard and rob an office they thought had some tickets for a Test match Why does a scholar of medieval Bengali literature remark Had life been a sport it would be cricket Who do journalists vindicate by promoting cricket the imperial game par excellence as the life force of the ordinary Indian This book pursues these threads of the people's uncanny attachment to cricket seeking to understand the sport's role in the making of a postcolonial society With a focus on Calcutta it unpacks the various connotations of international cricket that have produced a postcolonial community and public culture Cricket it shows gave the people a tool to understand and form themselves as a cultural community More than the outcomes of matches the beliefs attitudes and actions the sport generated had an immense bearing on emerging social relationships **Christianity and Social Scientific Perspectives on Sport** Tom Gibbons, Stuart Braye, 2020-06-29 There has been a dramatic increase in academic research activity and practical initiatives on the topic of sports and Christianity and its cultural significance during the past decade The Faculty of Health and Life Sciences at York St John University York UK hosted the Inaugural Global Congress on Sports and Christianity IGCSC 24-28th August 2016 in collaboration with the Bible Society at which there were 180 delegates from 22 countries in attendance For the area of sports studies the social scientific study of sport there was a thematic strand at the congress titled Christian sociological perspectives on sport from which a special edition of the journal Sport in Society partially emanated This book is based upon this journal special edition The papers selected for inclusion in the special edition were purposely eclectic in order to demonstrate the diversity of current research occurring in the area of Christianity and social scientific perspectives on sport The goal was to bridge divisions between various social science disciplines and theology or religious studies through varied novel and interesting explorations of sport in its various forms We hope this collection inspires further studies into this area The chapters in this book were originally published in a special issue in Sport in Society *Transnational Mobilities in Action Sport Cultures* H. Thorpe, 2014-05-30 This book contributes to recent debates in transnationalism mobilities and migration studies by offering the first in depth sociological examination of the global phenomenon of action sports and the transnational networks and connections being established within and across local contexts around the world *Women in Action Sport Cultures* Holly Thorpe, Rebecca Olive, 2016-11-09 Young white men have dominated action sports for many years yet women have refused to accept positions on the margins of these unique sporting cultures Developing in a different context to many traditional sports girls and women have adopted highly proactive

approaches and developed unique strategies to negotiate space alongside their male peers in the waves skate parks and cityscapes on mountains and climbing walls along trails as well as around rinks This international collection features contributions from a group of leading and emerging researchers many of whom are passionate action sport participants themselves With authors representing a range of theoretical and disciplinary perspectives including cultural studies sociology performance studies media studies sport for development and education this book offers the first collective focus on women in action sports cultures in the past present and into the future Ultimately the book offers a vivid and powerful illustration of the new and ongoing struggles facing women in contemporary sporting cultures as well as the various strands of activism agency and politics being performed in the surf on the slopes and at the crag The book will be of interest to students and scholars in the fields of sociology of sport and physical culture gender studies youth cultures sport history and pedagogy and education

Research Methods in Physical Activity Jerry R. Thomas, Philip Martin, Jennifer L. Etnier, Stephen J. Silverman, 2023 Research Methods in Physical Activity Eighth Edition offers step by step information for every aspect of the research process providing guidelines for research methods so that students feel capable and confident using research techniques in kinesiology and exercise science disciplines

Archives and New Modes of Feminist Research Maryanne Dever, 2020-04-28 In an era when the metaphor of the archive is invoked to cover almost any kind of memory collection or accumulation it is important to re examine what is entailed politically and methodologically in the practice of feminist archival research This question is central not only to the renewed interest many disciplines are showing in empirical research in archives but also given the current explosion of online social and cultural data which has fundamentally transformed what we understand an archive to be Contributors in this collection are keen to mark out what may be novel and what is enduring in the ways in which feminist thought and feminist practice frame archives Importantly they engage with archives in their historical and political complexity rather than treating them as simple repositories of source material In this respect contributors are keenly interested in what it means to archive particular materials and not simply in what those materials may hold for feminist researchers The collection features established and emerging feminist scholars and brings together interventions from across such disciplines as history literature modernist studies cinema studies and law This book was originally published as a special issue of the journal Australian Feminist Studies
