Treasure Box: Book 2 Maryknoll Sisters, 2009-02-03 The Treasure Box books present a wonderful combination of fun innocence and the Catholic Faith They teach the Faith in a simple way and they inspire children's hearts to love God The pictures are truly beautiful unlike the cartoon illustrations found in many children's books today These books are full of Catholic doctrine presented reverently and simply at a young child's level in a manner to capture the child's interest and raise the heart to God

The Broken Whole Thomas E. Reynolds, 2012-02-01 In an increasingly precarious global situation and in light of the postmodern emphasis on difference efforts to grasp the whole as something universally shared by all human beings have fallen short according to Thomas E Reynolds In this book he explores the philosophical and theological significance of the problem of pluralism and asserts that the shared resources of the world's religious traditions can be used to cultivate peace and solidarity across diverse boundaries He engages a range of philosophical thinkers such as Gadamer Marcel Rorty Foucault Levinas Derrida and Habermas and brings them into conversation with contemporary theologians and writers in religious studies Presenting a vision of solidarity that is both religiously charged and philosophically astute *The Broken Whole* outlines an inventive approach toward retrieving the relevance of God talk an approach rooted in a philosophy of dialogue and cross cultural hospitality
