Kutuzov Alexander Mikaberidze, 2022 A Russian war hero who defeated Napoleon and became a mythic military figure Alexander Mikaberidze s latest book is the first modern English language biography of Mikhail Golenischev Kutuzov the famed Russian

Field Marshal and central character of Leo Tolstoy's epic War and Peace. One of the most important military minds of the period, he is credited with defeating Napoleon and saving Russia, though his fame is not limited to the Napoleonic wars. As it often happens with national heroes, Kutuzov gradually became larger than life, a messianic character who led Holy Russia against the evils of the Revolution and anarchy. The Soviet leaders later exploited his personality for even more grandiose schemes. The real Kutuzov was gradually replaced by a mythical character who appeared at a time of great danger to save Russia. The impact of this propaganda can be still seen in modern Russia. In 2000, the public opinion poll showed that a majority of the Russians consider Kutuzov as the Person of the 19th Century, far ahead of famous writers Alexander Pushkin and Leo Tolstoy, composer Peter Tchaikovsky, or scientist Dmitry Mendeleev, while the 2017 public opinion poll placed Kutuzov in the top twenty of the most distinguished historical personalities in world history, slightly behind Napoleon. As much as Kutuzov is venerated in Russia, he remains an overlooked figure in the West, with Western historiography comprising of just a handful of titles in English, French, or German, the vast majority of them translations of older Soviet works or derived from them. This book provides a new biography of the field marshal, examining his personal life and military/diplomatic accomplishments and relying on a wide range of primary and secondary sources, as well as Russian archival material. Mikaberidze offers a fresh look at the historical figure whose character remains elusive but whose accomplishments are irrefutable. **Clausewitz**

Donald Stoker, 2014-10-01. A new incisive biography of Carl von Clausewitz, sketching out his life and career and exploring the various causes that led to the formulation of his theories about war and the publication of his masterpiece *On War*.

Jack Cristil Sid Salter, 2015-08-18. Jack Cristil 1925-2014 was a Southeastern Conference icon and the Voice of Bulldog athletics for more than five decades. In this biography, Cristil's remarkable life and career are shared with all Bulldog fans. Authored by Mississippi journalist Sid Salter with a foreword by distinguished Mississippi State University alum John Grisham, the book originally sold over 10,000 copies and raised over 170,000 for the Jacob S. Jack Cristil Scholarship in Journalism at MSU. With a fifty-eight year association with MSU, Cristil was the second longest tenured college radio play-by-play announcer in the nation at the time of his 2011 retirement. During his legendary career as the Voice of the Bulldogs, Cristil called 636 football games since 1953, that's roughly 60 percent of all the football games played in school history. He was in his 54th season as the men's basketball play-by-play voice, having described the action of almost 55 percent of all the men's basketball games. In all, Cristil shared with Bulldog fans across the Magnolia State and around the world more than 1,500 collegiate contests. Central to Cristil's inspiring story was his upbringing in Memphis as the son of first-generation Russian Jewish immigrants. This paperback edition is updated with new material covering Cristil's death and memorial service, with additional post-retirement and memorial photos.
