Jacques Cookson,2020-11-13 I wrote this book for the reason listed in the title to call and welcome my fellow americans to Hinduism I feel like the message of Hinduism is one that is sorely needed in these times In this book I m not going to try to explain everything about Hinduism there are a million very fine books that already do that and they re written by scholars much more qualified than me to do that What I m aiming to do is to introduce you to Hindu dharma and present the case as to why you should look into it and seriously consider embracing it I feel like a lot of people out there are genuinely interested in Hinduism but don t know what to do about it Or maybe they re practicing some kind of Hindu ish spirituality at home in private but are nervous or shy for some reason about going to the temple or taking their Hinduishness to the next level If you feel like I m talking about you right now I wrote this book for you Maybe you re pagan heathen and you re interested in Hinduism too because of Paganism s ancient connection to Hinduism This book is for you too I try to answer basic questions people have about Hinduism and address misconceptions people might have I also give advice on spiritual practice I m not an english major I write in the common tongue like I speak so I feel like this book is probably going to be really easy to understand and it s going to be a lot like having a deep spiritual conversation with your uncle or good friend If you re a fellow seeker on the spiritual path this book is for you Namaste and enjoy
