**Billionaire Badboy Surrender** Victoria Sparks,2015-07-22 Billionaire Romance Do you think that it's true what they say about money not being able to buy happiness I do Raised with my mother in a poor environment my life changed drastically when she married a kind and loving billionaire a man as rich in spirit as he was in wealth and I was suddenly dropped into the lap of the aristocracy Adapting was always difficult for me shy and reserved and lacking confidence as I was forced to be social in ways that I never had before in the past What's more I felt an intense sense of loneliness harboring a secret crush on my stepbrother Alex for years without him knowing it and him seeming like he saw the connection between us as nothing more than a simple sibling relationship I watched for years as Alex destroyed his life with his own wealth going down a heartbreaking path of debauchery and excess thinking the whole time that he'd forgotten about me in my sad lonely life But then one night he

comes to my doorstep with a long hidden confession of his own and I have to ask myself If you can t buy happiness with money can you still find a way to be happy despite it This is a stand alone Contemporary New Adult Romance novel No Cliffhanger Content suitable for mature readers contains sexual content and harsh language
