The Birthday Present Mills Boon Spice:

For Love and Money: the Literary Art of the Harlequin Mills and Boon Romance Laura Vivanco, 2011-01-01 Laura Vivanco's study challenges the idea that Harlequin Mills Boon romances are merely mass produced commodities churned out in accordance with a strict and unchanging formula. She argues that many are well written skilfully crafted works and that some are small masterpieces. *For Love and Money* demonstrates the variety that exists beneath the covers of Harlequin Mills Boon romances. They range from paranormal romances to novels resembling chick lit and many have addressed serious issues including the plight of post Second World War refugees, threats to marine mammals and HIV AIDS. The genre draws inspiration from Shakespearean comedies and Austen's novels as well as from other forms of popular culture. Laura Vivanco's *For Love and Money* is an impressive study of the popular fiction of Harlequin Mills and Boon that is a must read for any student of popular fiction and for those who write and love the genre. Liz Fielding, author of over 50 Harlequin Mills Boon romances. Deep learning, wide reading and clear thinking are very much in evidence in Vivanco's exploration of HM B. A welcome addition to popular romance criticism. Professor Pamela Regis, author of *A Natural History of the Romance Novel*. Laura Vivanco's analysis of the category romance is both meticulous and inspiring. And while Vivanco limits her examples and discussions to category romances by Harlequin Mills Boon and the HQN imprint, her application of Frye's mimetic modes begs for expansion to texts and authors across the genre. This piece of literary criticism should serve as a template for romance scholars to move from defending the genre to discussing its values and complexity as a literary art. Maryan Wherry, *Journal of Popular Romance Studies*. *The Bloomsbury Introduction to Popular Fiction* Christine Berberich, 2014-12-18

Guiding readers through key writers and genres, historical contexts and major theoretical approaches, this is a comprehensive introduction to the study of popular fiction. Charting the rise of commercial fiction from the 19th century to today, *The Bloomsbury Introduction to Popular Fiction* includes introductory surveys written by leading scholars to a wide range of popular genres including Science Fiction, Crime Writing, Romance and Chick Lit, Adventure Stories and Lad Lit, Horror, Graphic Novels, Children's Literature. Part II of the book also includes case study readings of key writers and texts from the work of HG Wells, Ian Fleming and Raymond Chandler to more recent books such as *Pride and Prejudice* and *Zombies*. The book also includes a chapter covering The Writer's Perspective on popular publishing while annotated guides to further reading and online resources throughout give students the tools they need to pursue independent study on their courses.

The Complete Guide to Hiring a Literary Agent Laura Cross, 2011 A guide to the process of getting an agent to represent your book. Once you have found your literary agent you will learn how to read contracts and accept offers as well as what details your agent will take care of. **Jeff Herman's Guide to Book Publishers, Editors & Literary Agents 2007** Jeff Herman, 2006-12 Presents a guide to the names and specialities of American and Canadian publishers, editors and literary agents including information on the acquisition process and on choosing literary agents. **Public Opinion**, 1864 **2008**
