The Call Of The Bluebird:

Bluebird Seasons Mary Taylor Young, 2023-05-02 This wonderful book is faithful both in its witness to the world's beauty and to our need to act now to preserve something of that wonder and grace. It brings the bracing air of the Rockies to us all. Bill McKibben, author of *The End of Nature*. In this *A Sand County Almanac* for the twenty-first century, nature writer and zoologist Mary Taylor Young tells the story of the growing effects of climate change on her land in the pine-covered foothills of southern Colorado. Climate change wasn't yet on the public radar when Young and her husband bought their piece of the wild in 1995. They built a cabin, set up a trail of bluebird nest boxes, and began a nature journal of observations, delighting in the ceaseless dramas, joys, and tragedies that are the fabric of life in the wild. But changes greater than the seasonal cycles of nature became evident over time: increasing drought, wildfires, bears delaying hibernation, and the decline of familiar birds and appearance of new species. Their journal of sightings over twenty-five bluebird seasons, she realized, was a record of climate change happening not in an Indonesian rainforest or on an Antarctic ice sheet but in their own natural neighborhood. Using the journal as a chronicle of change, Young tells a story echoed in everyone's lives and backyards. But it's not time to despair, she writes. It's time to act. Young sees hope in the human ability to overcome great obstacles in the energy and determination of young people and in nature's resilience, which the bluebirds show season after season. **Annual**

Station New York State College of Agriculture, 1915 Bluebird Genevieve Graham, 2022-04-05 A dazzling novel set during the Great War and postwar Prohibition about a young nurse, a soldier, and a family secret that binds them together for generations to come. From USA TODAY and repeat 1 bestselling author Genevieve Graham, present-day Cassie Simmons, a museum curator, is enthusiastic about solving mysteries from the past, and she has a personal interest in the history of the rumrunners who ferried illegal booze across the Detroit River during Prohibition. So when a cache of whisky labeled Bailey Brothers Best is unearthed during a local home renovation, Cassie hopes to find the answers she's been searching for about the legendary family of bootleggers. 1918 Corporal Jeremiah Bailey of the 1st Canadian Tunnelling Company is tasked with planting mines in the tunnels beneath enemy trenches. After Jerry is badly wounded in an explosion, he finds himself in a Belgium field hospital under the care of Adele Savard, one of Canada's nursing sisters nicknamed Bluebirds for their blue gowns and white caps. As Jerry recovers, he forms a strong connection with Adele, who is from a place near his hometown of Windsor along the Detroit River. In the midst of war, she's a welcome reminder of home, and when Jerry is sent back to the front, he can only hope that he'll see his bluebird again. By war's end, both Jerry and Adele return home to Windsor, scarred by the horrors of what they endured overseas. When their paths cross one day, they have a chance to start over. But the city is in the grip of Prohibition, which brings exciting opportunities as well as new, dangerous conflicts that threaten to destroy everything they have fought for.
