Littleboy, Frank W. Metcalfe, 1929      **The Playmates of Harvest View** Doris Christian-Johnson, 2020-10-07 The Playmates of Harvest View is an absorbing story of deception romance forbidden desires murder and greed In a small secluded close knit community in the state of Missouri three sisters Rebecca Neaverna and Samantha Palermo like most enjoyed the security and tranquility until that late afternoon in June Their peaceful lives were splintered when Rebecca went missing and later found raped and murdered Her friends and male playmates Thaddeus Kennedy Jeremy Browriskyzcoff Mancina Joel Earl Baptista and Joseph Mancina vowed to avenge her death in later years at any cost The suspects Peter Cruzada and his friends Timothy Monacelli Sampson Durgard and Travis Harvey were the teenage sons of super rich and powerful parents who lived the lives of luxury in the suburbs They were the elites of society and deemed the pillars of their community At an early age the little band of boys child play turned into something far greater than anything one could ve ever imagined Their cruel behaviors landed them in juvenile detention facilities This was just the beginning of a life that placed the group of boys on the wrong side of the law In later years a rash of murders and heavy drug trafficking throughout the United States Canada South and Central America and the Caribbean islands came to the attention of the United States government Their investigation of these crime sprees led them to the tight closed doors of Peter and his gang The gang had grown into a well organized drug cartel The world was their playground and they had become the untouchables The Central Intelligence Agency Special Task Force was formed and Thaddeus was the CIA agent who was appointed to oversee the operation His job was to apprehend Peter and his gang by any means necessary He recruited his friends who were also his childhood playmates to assist him in apprehending the gang They never thought that their innocent child play of crooks and robbers would manifest into real life drama The relentless manhunt led them to the other side of the world and back again Things intensified when they learned that their

former classmate Karen Shaw was part of the gang She was dubbed the Gutsy Missouri Bad Girl Fearless and bold beyond the meaning of the word she craved bloodshed which was evidenced in the string of murder victims that she left in every path that she chose to travel Already faced with unimaginable danger even death the Central Intelligence Agency Special Task Force discovered that Peter and his gang had joined forces with a few dirty CIA agents Driven by greed and the desire to control the underground world the gang clashed with the mighty playmates of Harvest View In a bloody showdown in Las Vegas Nevada their reign of terror came to an end Through the years dating all the way back to their childhood the playmates of Harvest View s relationships with the sisters of the murdered girl progressed to matrimony and a lifestyle of class and distinction Easily said but not so easily done This superbly crafted novel has near perfect balance of action and will attract readers from multiple genres It s filled with vivid characters whom you would fall in love with and some you would love to hate The dramatic actions of these characters pull the readers into incredible sequences of jaw dropping spellbinding and page turning suspense      *Saturday Review of Literature* ,1926      The Washington Quarterly Magazine of Arts, Science and Literature ,1823
