agrees to accompany Anderson to visit an old friend of his in the BDSM scene she does so to make him happy but the prospect of engaging in role play with a strange man terrifies her Her introduction to Christian Fortier and a glimpse of his treatment of the women that live with him in his Cambridge townhouse only intensify her apprehension although other more confusing emotions begin to surface as well If she can only open herself to his experienced and almost invasively perceptive control this mysterious figure offers to banish her confusion and show her the depths and rewards of submission beyond anything she has encountered before Excerpt Come here he said his tone very dangerous The woman flinched at the tenor of his voice but edged closer to him I m sorry sir I didn t know you had company sir I But her apologies were cut off with a gasp The man reached out and pushed aside the cup of her bra baring one large breast to the room and seizing her tightly by the nipple all in a single fluid motion The woman flinched and sagged biting her lip at the pain Meredith do you know what Sarah does with this the man asked holding the fork before the woman s grimacing face and maintaining his grip on her nipple She whimpered and shook her head Sarah stabs herself with it in the back of the calf Over and over again she does this when she thinks it has been too long since I last spanked her He turned back towards Anderson The woman is an extreme masochist She seems determined to give herself an infection The woman in his grip let out a whimper of pain and the man turned back to her I have told Sarah not to do this he said to her It is not good for her She knows that it makes me very unhappy He twisted his hand and the woman s whimpers increased in volume and pitch and her breath began coming in gasps You say she asked you to bring it out to the kitchen The woman nodded urgently And why did you agree The woman swallowed and answered with difficulty She just asked for a favor sir The man laughed Meredith for all your good qualities you are very easily taken advantage of did you know that Sarah is using you She knows that she will get in trouble if she is seen with it and so she sends you to run the risk instead Yes sir the woman whined I m sorry sir So this is what we are going to do he said I am going to let you go and pretend that this did not happen and the next time you see Sarah with this fork or anything like it you are going to come to me instead Do you understand Yes sir the woman agreed in a strained voice The man twisted further and I saw the woman s hands ball into white knuckled fists as she fought not to cry out Then repeat back to me what I have just asked you You said that the next time I see Sarah with something like the fork I should come and tell you about it sir And that s what you re going to do Yes sir Good The man pulled the woman closer to him and kissed her once on the forehead gave a final squeeze and released her She stumbled back trying to keep herself from clutching at her reddened and slightly puffy nipple Without bothering to cover herself she fled from the room The man watched her go an unreadable expression on his face She has a good heart that one he said Never intentionally disobedient but I m afraid she does not always exercise good judgment I looked through the doorway the woman had disappeared through and shivered The prospect of this man treating me the same way he had just treated Meredith was more than a little frightening but an undeniable part of me had found that entire exchange very very hot I took a long drink of the wine and turned back to see the

And you too Deanna My thanks for seeing Victoria in The girl rose and backed towards the door I know you dislike the task he added before she had left But yours is such a warm personality I couldn't think of having the other girls do it in your place when I want our newest guest to feel welcome She blushed deeply at the compliment her eyes fixed on the floor Thank you Master she said softly He nodded in dismissal and she left Slowly as though he could sense my impatience his deep charcoal eyes turned towards me Victoria he said simply I'm glad you could come Master I responded eager to try the new form of address He smiled You've heard that word have you Good We'll teach you the meaning of that word very thoroughly before you leave here A slight shiver ran down my spine God was I already wet He stood and walked over to me I like a new toy that arrives early in the morning he said There is so much time left in the day to try it out He laid a finger under my chin tilting my face up to meet his With a slight pressure he bid me stand and I rose to my feet my eyes never leaving his You've been on my mind a very great deal over the past twelve hours he said to me The number surprised me Had it really only been that long I'm usually such a patient man he went on sliding a finger beneath the strap of my top just brushing my skin What is it about you that so undermines my self control I trembled slightly at his touch and the tone of his voice His words were deep with intensity and yet I did not believe him for a moment when he said his self control was compromised He seemed to have so much of it that it bled over and controlled me too without him being entirely conscious of it Simply having him standing in front of me looking and touching me was enough to paralyze me until next he told me to move And all nicely wrapped he murmured I can always tell an outfit chosen with care We'll put these clothes somewhere safe for the week I wouldn't want them to wrinkle His gaze held mine as he began to strip my clothes from me A slight blush rose to my cheeks but I did not break eye contact My God he didn't beat around the bush There was the slightest hint of a challenge in his deliberate movements I am making you naked in front of me his eyes were telling me There is no secret or thought or emotion you possess that I cannot choose to uncover You walked in my door knowing who I was and what I wanted and now you will be utterly mine
