The Best Man I Can Be:

The Best Man I Can Be Leonard Dungey, 2014-11-05 The Best Man I Can Be is the result of Leonard Dungey's 94 years of experiences. It has been written at the urging of family and friends and a gut instinct on the part of the author to catalogue his experiences in the military as an African American and as the best man he can be. How does one become the best man he can be? Leonard Dungey strives to illustrate this through his own experiences, good and bad, local and abroad. His is a story to be remembered.

This book is a fresh approach to tackle modern communication challenges written for today's time-poor reader, easily consumed in one sitting, one flight, or one night. This book is a holistic approach to professional and personal communication that will be a significant support in the boardroom, the living room, and also the classroom.
