Hanou,2017-09-13 Everybody has at least one weird hobby As for me I decided to use this book as a medium for taking a satirical look at the phenomena known as upskirt According to Wikipedia Upskirt refers to the practice of making unauthorized photographs under a woman s skirt The term upskirt can also refer to a video or illustration which incorporates an upskirt image The term is also sometimes used to refer generically to any voyeur photography that is catching an image of somebody unaware in a private moment Furthermore the practice is regarded as a form of sexual fetishism or voyeurism and is similar in nature to downblouse The ethical and legal issue relating to upskirt and downblouse photography is one of a reasonable expectation of privacy even in a public place So I figured that mannequins simple dummies and plastic models wouldn t mind my making some innocent fun of this serious subject This much I promise you one day mannequins will take over this planet
