The Bible And Its Message:

Understanding the New Testament and Its Message Vincent P. Branick,1998 A solid well done introduction to the New Testament for undergraduates that explores teaching on faith issues as well as the theology and spirituality of the New Testament Reflections study questions charts and indexes are included *The Bible and Its Message* David Finklea,2014-11-01 Have you ever read the Bible and wondered what does any of this have to do with me Has there been a desire to better understand the Bible in the way that it was written Have you ever desired to truly uncover the story of Israel and how it has impacted the entire world Many times people read the Bible and it seems that there s no way of understanding what it is saying Others read the Bible and never experience the wondrous peace of being changed by the miraculous Word of God The Bible is still the most powerful book in the entire world However it must be read as it was originally written It must be the motive of every reader to uncover the message of God as He revealed it This book desires to embrace your curiosity challenge your thinking convict your heart and enlighten your minds The Bible and Its Message will leave you with a greater desire for the pure Word of God and a deeper desire to read the most prominent book in the world The Holy Bible Read your Bible with this book as a guide to your biblical understanding and spiritual development as it seeks to maintain the integrity of the Holy Scriptures **Revelation Revealed** Dr. Paul A Vallee,2019-11-22 In popular culture the focus of the biblical book of Revelation has been on the identity of the antichrist and the end of the world Though Revelation speaks to these issues the book is primarily about Christ and how he addresses humanity s enemies including our greatest enemy death Revelation Revealed is an expository commentary that pushes through popular misconceptions and explains Revelation in a clear and engaging manner Often viewed as a confusing book that is difficult to understand filled with all kinds of incredible imagery Revelation actually brings a message of hope in times of perplexity and crisis In Revelation Revealed Dr Paul A Vallee addresses the cultural background in which the ancient readers understood the text and shows the relevancy of that message to today s readers This book is the culmination of forty years of biblical study The content was originally presented to a live audience over the course of twenty six weeks The response encouraged Dr Vallee to put into print what the audience described as a positive message clarifying and removing misunderstandings and fear by instilling hope in a world that like the book of Revelation itself is often confusing and overwhelming **Messages of the Men and Religion Movement ...** Men and Religion Forward Movement,1912 **A Jungian and Psychoanalytic Approach to Biblical Myth and Religion** Lionel Corbett,2024-12-23 This book describes some of the major psychological processes that underpin various biblical stories and some of the theological speculation to which they have given rise Psychological biblical criticism as described here is suggested as an alternative or supplement to historical cultural textual philological literary and other types of biblical criticism Using a combination of Jungian and psychoanalytic theory Corbett shows how some biblical material arises from human psychodynamics while some originates in the archetypal level of the

psyche and is further elaborated as it passes through the human level of the psyche The author addresses some of the traditional anxieties about psychological approaches to biblical stories He views Jung s approach as an evolving mythology of the sacred that offers an alternative to purely theological approaches to the Bible and to the traditions that emerged from it This book will be of value to practicing psychotherapists and analysts particularly those who treat patients with a religious background as well as trainees clergy and graduate students in this area

Christian Exegesis of the Qur'an J. Scott Bridger, 2015-03-23 Can Christians read biblical meaning into qur'anic texts Does this violate the intent of those passages What about making positive reference to the Qur'an in the context of an evangelistic presentation or defense of biblical doctrines Does this imply that Christians accept the Muslim scripture as inspired What about Christians who reside in the world of Islam and write their theology in the language of the Qur'an Arabic Is it legitimate for them to use the Qur'an in their explanations of the Christian faith This book explores these questions and offers a biblically theologically and historically informed response For years evangelical Christians seeking answers to questions like these have turned to the history of Protestant Christian interaction with Muslim peoples Few are aware of the cultural intellectual and theological achievements of Middle Eastern Christians who have resided in the world of Islam for fourteen centuries Their works are a treasure trove of riches for those investigating contemporary theological and missiological questions such as the apologetic use of the Qur'an

Towns,2011 Respected scholars provide thorough yet accessible answers to the deep spiritual questions that most often challenge one s faith and the ability to share it with others Basis of Preaching Biblical Message: Preach the Word Rev Dr Koningthung Ngoru Moyon,2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God s will but is not necessary for knowing that God exists or for knowing something about God s character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book Finding God in Scripture John Bertone,2016-09-01 Why should I read the Bible Isn t it just a

lifeless and detached piece of history an ancient relic You may have heard people ask these questions or even asked them yourself This book will help you find the answers to understanding the Bible in a twenty first century context We have progressed as a civilization there is no doubt The advances in computer technology communication and science have improved the quality of our lives But fundamentally at the core the desires and motivations of humans remain the same and it is to this that the Bible speaks most clearly However interpreting the Bible requires intellectual curiosity commitment and a desire to discover truth Finding God In Scripture will equip you to better understand the nature of the Bible s message and the dynamics of how to interpret it For example just like today s modern writers biblical authors used various literary techniques such as the complexities associated with plot and characterization in narrative or the use of poetry evoking emotions These literary techniques were intended to convey God s message and involvement in the world Finding God In Scripture will show you that there is more to the Bible than the communication of historical information there is a reality a truth that can transform your life
