The Bloodless Boy English Edition:

The Bloodless Boy Robert J. Lloyd, 2021-10-11 A New York Times Best New Historical Novel of 2021 Potent fast paced The New York Times Book Review Wonderfully imagined and wonderfully written Superb Lee Child Part Wolf Hall part The Name of the Rose a riveting new literary thriller set in Restoration London with a cast of real historic figures set against the actual historic events and intrigues of the returned king and his court The City of London 1678 New Year's Day Twelve years have passed since the Great Fire ripped through the City Eighteen since the fall of Oliver Cromwell and the restoration of a King London is gripped by hysteria and rumors of Catholic plots and sinister foreign assassins abound When the body of a young boy drained of his blood is discovered on the snowy bank of the Fleet River Robert Hooke the Curator of Experiments at the just formed Royal Society for Improving Natural Knowledge and his assistant Harry Hunt are called in to explain such a ghastly finding and whether it's part of a plot against the king They soon learn it is not the first bloodless boy to have been discovered Meanwhile that same morning Henry Oldenburg the Secretary of the Royal Society blows his brains out and a disgraced Earl is released from the Tower of London bent on revenge against the King Charles II Wary of the political hornet's nest they are walking into and using scientific evidence rather than paranoia in their pursuit of truth Hooke and Hunt must discover why the boy was murdered and why his blood was taken The Bloodless Boy is an absorbing literary thriller that introduces two new indelible heroes to historical crime fiction It is also a powerfully atmospheric recreation of the darkest corners of Restoration London where the Court and the underworld seem to merge even as the light of scientific inquiry is starting to emerge *Quintus Claudius, Volume 2 (of 2) (English Edition)* Ernst Eckstein, Clara Bell, 2014-11-08 Example in this ebook CHAPTER I The same day which saw our friends in the country house at Ostia and the bond of love sealed between Aurelius and Claudia had been one of infinite agitation and annoyance to the Emperor Domitian The very first thing in the morning came vexatious tidings from the town and provinces At the earliest dawn inscriptions had been discovered on several of the fountains columns and triumphal arches of which the sting was more or less covertly directed against the Palatium and the person of Caesar Enough was attached to the base of a portrait bust The fruit is ripe was legible on the arch of Drusus In the fourth eighth and ninth regions the revolutionary question was to be seen in many places Where is Brutus and at the entrance of the baths of Titus in blood red letters stared the appeal Nero is raging Galba why dost thou tarry Domitian who had heard all this from his spies long before the court officials even suspected what had happened received these courtiers in the very worst of tempers His leave was not yet ended when a mounted messenger brought the news that a centurion had raised the standard of revolt on the Germanic frontier but that he had been defeated and slain after a short struggle At noonday the soldiers of the town guard seized an astrologer Ascletrario by name who had publicly announced that ruin threatened Caesar Before the moon should have twelve times rounded so ran his prophecy Caesar's blood would be shed by violence The immortals were wroth at his reprobate passion for a woman who by all the laws of gods and men he had no

right to love At first Domitian laughed His connection with Julia seemed to him so dull and pointless a weapon for his foe to turn against him that the stupidity of it astonished him However he commanded that the astrologer should be brought before him Who paid you he enquired with a scowl when the prisoner was dragged into the room No one my lord You lie My lord as I hope for the mercy of the gods I do not lie Then you really assert that you actually read in the stars the forecast you have uttered Yes my lord I have only declared what my skill has revealed to me The superstitious sovereign turned pale Well then wise prophet you can of course foretell your own end Yes my lord Before this day is ended I shall be torn to pieces by dogs Domitian looked scornfully round on the circle of men I fancy he said that I can upset the prophetic science of this worthy man Carry him off at once to execution and take care that his body is burnt before sundown The astrologer bowed his head in sullen resignation He was led away to the field on the Esquiline and immediately beheaded before an immense concourse within an hour Domitian was informed that all was over At this news his temper and spirit improved a little He congratulated himself on the prompt decision which had so signally proved the falsehood of the prophecy At dinner he carried on an eager conversation with Latinus the actor who among other farcical parts filled the role of news monger You are later than usual to day said Caesar graciously What detained you To be continue in this ebook
