DLLs and English learners (ELs) effectively is a national challenge with consequences both for individuals and for American society. Despite their linguistic cognitive and social potential, many ELs who account for more than 9 percent of enrollment in grades K-12 in U.S. schools are struggling to meet the requirements for academic success, and their prospects for success in postsecondary education and in the workforce are jeopardized as a result. [Promoting the Educational Success of Children and Youth Learning English](#) Promising Futures examines how evidence based on research relevant to the

development of DLLs ELs from birth to age 21 can inform education and health policies and related practices that can result in better educational outcomes This report makes recommendations for policy practice and research and data collection focused on addressing the challenges in caring for and educating DLLs ELs from birth to grade 12 The School Journal ,1902 Learning and Teaching Early Math Douglas H. Clements,Julie Sarama,2014-05-23 In this important book for pre and in service teachers early math experts Douglas Clements and Julie Sarama show how learning trajectories help diagnose a child s level of mathematical understanding and provide guidance for teaching By focusing on the inherent delight and curiosity behind young children s mathematical reasoning learning trajectories ultimately make teaching more joyous They help teachers understand the varying levels of knowledge exhibited by individual students which in turn allows them to better meet the learning needs of all children Using straightforward no nonsense language this book summarizes the current research about how children learn mathematics and how to build on what children already know to realize more effective teaching This second edition of Learning and Teaching Early Math remains the definitive research based resource to help teachers understand the learning trajectories of early mathematics and become quintessential professionals Updates to the new edition include Explicit connections between Learning Trajectories and the new Common Core State Standards New coverage of patterns and patterning Incorporation of hundreds of recent research studies *The Child Life Quarterly* ,1910
