Ethan Frome, Summer, Bunner Sisters Edith Wharton, 2014-04-02 These three brilliantly wrought tragic novellas explore the repressed emotions and destructive passions of working class people far removed from the social milieu usually inhabited by Edith Wharton's characters Ethan Frome is one of Wharton's most famous works it is a tightly constructed and almost unbearably heartbreaking story of forbidden love in a snowbound New England village Summer also set in rural New England is often considered a companion to Ethan Frome Wharton herself called it the hot Ethan in its portrayal of a young woman's sexual and social awakening Bunner Sisters takes place in the narrow dusty streets of late nineteenth century New York City where the constrained but peaceful lives of two spinster shopkeepers are shattered when they meet a man who becomes the unworthy focus of all their pent up hopes All three of these novellas feature realistic and haunting characters as vivid as any Wharton ever conjured and together they provide a superb introduction to the shorter fiction of one of our greatest writers
