Jabbed Brett Wilcox, 2018-09-11 *Jabbed* demonstrates that the medical procedure hailed as the greatest medical advancement in history, vaccines, is a racket run by criminals and gullible believers who have replaced vaccine science with the religion of vaccinology. Vaccine marketers teach believers to fear shame and scapegoat anyone foolish enough to question the sanctity of vaccines. Such an environment is not the domain of science; rather, it is the breeding ground of tyranny. *Jabbed* exposes this tyranny. From polio and smallpox to medical journals, medical curricula, congressional hearings, regulatory policies, White House statements, and executive orders, *Jabbed* shines light on the dark underbelly of Big Pharma, Big Medicine, and Big Government. A vaccine-informed public is the only thing that will have the power to stop vaccine industry sociopaths and to hold them accountable for their crimes. *Jabbed* informs and immunizes against three of the most dangerous epidemics in history: tyranny, greed, and corruption. Once immunized, the growing vaccine-informed community will have the power to stand up and dismantle the vaccine paradigm and program and to punish the perpetrators of what may well be the greatest medical fraud ever perpetrated on the human race: vaccines. A

Compromised Generation Beth Lambert, 2025-09-12 *A Compromised Generation* reveals how seemingly benign elements of American culture are making millions of children chronically ill, disabled, or dysfunctional. Children are being diagnosed with illnesses such as autism, asthma, allergies, and ADHD at a breathtaking rate.

Invisible Eugenics Mark M. Rich, Wealthy eugenicist psychopaths have launched a covert eugenics program to reduce the population. They are attacking citizens with chemical weapons disguised as medicine, which slowly inflicts many devastating medical conditions. The victims suffer a reduced lifespan and are removed from the breeding pool. They have established complete control of the public schools, which have been transformed into eugenic laboratories. These laboratories are used to identify and destroy any positive values that might foster individual development and to identify those to be attacked. The teachers and doctors are on the frontline, working together to identify the resisters who are attacked for life with chemical weapons under the guise of medical treatment. There is a highly coordinated worldwide coverup of the deaths and injuries caused by these weapons. This population control agenda can be traced back to the late 1800s when they vowed to eliminate certain bloodlines to purify the human race.
