The Baptism In The Holy Spirit A Complete Workbook Study:

The Baptism in the Holy Spirit Clifton Burris, 2015-01-15 This workbook was created primarily because of the ignorance I experienced with this subject when I personally received the baptism in the Holy Spirit I believe that no believer should be ignorant of this most important gift which is promised to every believer I received the gift in front of everyone in a small Baptist Church while not one person knew what was happening to me including myself and the Pastor As I began speaking in tongues some were afraid of me and stood at a distance asking what is going on what is he saying how long does it last The only thing I knew for certain was I was speaking to God for 45 Minutes and I didn't want to stop I didn't know why I had received this gift but remembered later I had asked for it while visiting another Church with a friend not knowing what I was asking for At the time I couldn't answer those questions because of my ignorance and had no idea it would be years before I would ever use the gift again Finally after many years of church attendance prayer and biblical study these answers and more are now provided for you in my workbook It is provided for you so you may know the truth on the subject and enjoy the gift that will change your life for the better

The Initial Evidence Doctrine in North American Pentecostal Churches** Kenneth Richard Walters,2019-08-26 The modern Pentecostal movement has been studied many times in relation to its theological and sociological background Previous

studies however have not focused on the distinctive doctrine of that movement the teaching that speaking in tongues is the initial physical evidence of the Baptism in the Holy Spirit Given that Pentecostals believe that this is a work of grace such a doctrine seems unlikely to arise as physical evidence is seldom required or looked for in the life of a believer in relation to any other area of grace This prompts the question of why such evidence was even being looked for And yet within a very short time of its proposal acceptance of this doctrine was so widespread as to become the hallmark of the movement Insistence on such a doctrine led to many being asked to leave their denominations and thus to the founding of other denominations This book attempts to answer the question Why And specifically Why Tongues A Theological Study of The Book of Romans Arch Bishop D.A. Miller, D.D. Ph.D.,2012-02-11 Paul addressed the Book of Romans to both Jews and Gentiles even though Rome was primarily a Gentile city Therefore it is reasonable to conclude that most believers in the churches at Rome were Gentiles The reason that this was important is that the Judaizers continued to infiltrate the local churches and Paul was determined to stop their false message of adding law keeping to grace from taking root and to demonstrate that the Gospel is for all Jews and Gentiles *Auburn Seminary Record* ,1926 **Interpreting the Book of Acts (Guides to New Testament Exegesis)** Walter L.
