school of bright fish that points them in the right direction as they make their way through the kelp woods As Marina and Delfin travel through the Sea of Whispers they come across talking seashells that try to lead them astray In the middle of the ocean they meet Ollie the octopus prophet He tells them a puzzle that is very important to the mission s success After that they meet three old turtles who want to test Marina s determination by giving her a race against the clock They will give her a faster way to get to the Abyss of Shadows if she wins Then they learn how to be careful and graceful as they swim through an amazing dance of jellyfish As they get closer to the dark and scary Abyss of Shadows they meet Seraphine Seraphine is not a monster despite what most people think She is the Heart s guardian Marina is put to the test when she says that the real Heart Guardian must be brave smart and have a clean heart Marina comes back with the Heart of the Ocean and Delfin stands outside of Coral Cove to watch the storm When Marina uses the gem to stop the storm it shows how brave and strong she really is She not only watches over her home on the trip but she also collects sea creatures to honor how brave she was Marina learns at the end of the story that her adventures and the friends she makes along the way are what make her experience truly valuable The Heart of the Ocean had a lot of power but what really made it magical was how it taught and brought together the people who lived under the ocean Marina ends her story as a protector of the sea a hero and a lighthouse of hope for Coral Cove Her friends and family will always be there for her and she s ready for any new adventures that come her way Chapter 1 What Marina Wants Marina was a happy little fairy with eyes the color of the ocean Coral Cove was her home It was a busy underwater community where many kinds of fish swam among the coral and seahorses danced in the sea grass Marina loved living in Coral Cove but she often found herself looking off into space wondering what lay beyond the calm waters of Coral Cove The sea turtles and dolphins that used to visit the cove told her many stories and her heart longs for excitement and travel In all of these stories she was most interested in the one about the Heart of the Ocean The Heart of the Ocean was a legendary stone that was unlike any other rock It was said to have amazing powers that could keep the sea safe and peaceful The story said that the gem were as peaceful as the deepest sea and as beautiful as a thousand sunsets It was said to be in the Abyss of Shadows a faraway place where secrets and spells keep watch Every day Marina became more interested in the Heart of the Ocean She thought about how beautiful and strong the jewel was beating like the ocean s heart She was thrilled at the thought of going on such an adventure She also wanted to see the diamond for herself so she could feel its power and maybe use it to help protect the land she loved Marina knew the trip would not be easy because the sea was full of both danger and beauty However her desire to reach the Ocean s Heart was stronger than the waves Every night Marina would look up at the sky and pray in silence to find the Ocean s Heart The moonlight dancing on the waves was her prayer She imagined herself meeting new people facing challenges with courage and bravely traveling through waters that had not been explored before She felt very connected to the ocean and all the living things in it She thought that finding the Heart of the Ocean would make them all feel safe and calm Marina s request wasn t just a wild

dream it was a call to action a wish to make changes in the huge unknown world below the water She knew that one day her bravery and interest would take her on a trip to the Heart of the Ocean that had never been done before There she would learn what friendship and courage are really all about Thanks to her strong will and the support of her friends and family in Coral Cove Marina was ready to go on the most exciting trip of her life Chapter 2 There is a story about an elder Time passed and Marina s desire for excitement grew She chose to ask the village elder who was the most respected man in Coral Cove for advice Turtleton was the elder It was an old and wise turtle that had been in the water longer than any fish could remember He had lived a long time and seen a lot The stories he told were like treasures found deep in the ocean At the Great Coral Arch Marina found the elder The rainbow colored corals there make a natural entrance With love and joy in her heart she walked toward him It beat like a sea anemone s soft flutter Elder Turtleton tell me where I can find the Heart of the Ocean I d like to learn more about it Marina whispered into the wind Turtleton looked at Marina with longing in his eyes which were full of ancient knowledge He was told that the way to the Heart of the Ocean would be dangerous and difficult in ways that no young fish had ever faced But he saw in Marina a bravery and determination that made him think of ancient seafaring fighters The secret he had kept for so long was finally going to be told to her Turtleton spoke slowly to make sure Marina was paying attention The Abyss of Shadows is the most mysterious and dangerous place under the sea The water is as dark as the night sky and sunlight can t reach But the greatest challenge is the guardian of the Heart Seraphine the ancient sea dragon he said Turtleton s voice was as deep as the sea When Marina heard Seraphine s name her eyes got really big with shock and worry People have told her stories about sea dragons which are very smart and strong animals but she never thought she would get to see one for real It s a place that not many people have seen and even fewer have come back from Turtleton said Seraphine is a mighty guardian tasked with protecting the Heart of the Ocean from those who would use its power for harm To reach the Heart one must prove their worth to Seraphine showing courage wisdom and a pure heart
