come looking like this to try to distract me But don t worry I can enjoy the view and run circles around your proposal all at the same time I blushed in spite of myself but recovered quickly I always knew you were a pig Derren You don t have to go out of your way to prove it each time we see each other He grinned Oh but you really have no idea he said low enough that he was sure we wouldn t be overheard That s all I want Lacey a chance to show you just how depraved I can be One night me you and a pair of handcuffs He gestured at my chest Bring those juicy things too if you don t mind I don t know where you usually hide them A pair of handcuffs I asked doing my best to sound amused instead of intrigued I suppose you know you re not man enough to handle me unless you can tie me down He laughed You misunderstand The handcuffs aren t for anything sexual They re to keep you from chasing after me when I leave Unable to come up with a good response I gave him a sarcastic smile and pushed past him to join the defense table As I went to sit down I realized with a flush of resentful embarrassment that I was wet Derren Alcross had gotten me wet and he probably had known he was doing it too I forced myself not to look over at his lithe confident form sitting down at the table across from me It doesn t matter if you re attracted to him I told myself That won t stop you from beating him Nothing about his dark handsome face or his suave confidence or the way I found myself imagining him standing hungrily over me powerless in handcuffs none of that would distract me I told myself Notice These titles include themes and passages that have been adapted from Jessica Whitethread s Bimbo Lawyer Series with full consent of the original author [Tied up at the Office: Seduced by my Billionaire Bosses](#) , Lisa s always had a crush on the billionaire twin bosses who run her company and one night she finds herself alone at the office with the rugged Michael and stern Richard The brothers are used to getting what they want and Lisa quickly discovers that this time she s the prize It s going to be a long night of work for the three of them Contains rough sex double penetration and more Excerpt We re all alone you know Everyone else has gone home Michael murmured It was a strange thing to say but I felt my stomach quiver all the same Alone with these two handsome attentive men Yes they were my bosses but there was something exhilarating about their sudden attentions I felt my head starting to spin once more and definitely not from the heat It s not so bad I said offering a coy smile You re both good company So you wouldn t be opposed to getting to know us a little better It was Richard s turn to smile and now I quite easily detected a charged undercurrent some hint I wasn t quite getting I noticed he had flipped open the first aid kit and was idly rummaging through it I felt that warm quivering in my belly again and a little lower Was this really happening Well I wouldn t be totally against it Not even if we were a little rough Richard held up a roll of medical tape his lips curling into a wicked grin I stared at it uncomprehending for a moment Strong calloused hands suddenly seized me from behind and before I had a chance to react I was hoisted effortlessly onto the table Instinct took hold of me and I began to struggle but the hands grabbed my wrists pulling them together behind my back and holding me firmly I heard an amused chuckle rising from behind me followed by a the distinctive rrip of tape I froze at the sound What what are you going to do to me I managed Don t worry Michael s soft baritone rumbled in my ear I could feel

the warmth of his proximity and it sent a tingle through my spine It won't hurt At least as long as you don't struggle too much Richard added leaning in close to my ear His voice was thick with lust His brother's calloused hands held my arms in a vice like grip as Richard began to wrap my wrists with the tape My brain screamed with the need to fight back but my body hesitated The situation had triggered something primal in me I could feel my arousal building with their rough manipulations of my body Even the sound of the tape sent a thrill through me I felt a growing warmth spreading throughout my body and I realized I was already wet Suddenly I wasn't sure I wanted to escape not that I could have Even one of the brothers would have been too strong for me with two of them I didn't even stand a chance Still I didn't want to give in right away Part of me felt the need to resist No I shouted Not not like this You don't have to I let out a gasp as the arms pulled at me roughly pivoting me on the table to give Richard better access to my arms The sudden force yanked my blouse loose from my skirt and I could feel the cool air strike my exposed midriff I considered calling for help A split second later I stopped myself who would hear me And more importantly did I want anyone to hear Did I want someone to come interrupt this encounter with two beautiful powerful men men every last woman in the office would kill for and who were prepared to take me
