Teaching short stories in the EFL-Classroom Berenice Walther, 2008-02-29 Seminar paper from the year 2007 in the subject American Studies Literature grade 1-3 University of Münster course Teaching Short Stories in the EFL Classroom language English abstract The short story has its origins in traditional oral storytelling Many of the world's greatest literary classics such as *El Cid* *La Chanson de Roland* *Beowulf* or the *Odyssey* were originally orally transmitted In most cases the story has undergone many modifications in the course of the telling processes still they are today's primary testimonies for language history culture and people of the past They were told in rhyming and therefore functioned as a mnemonic device for easier recall In Europe the short story began to evolve from oral storytelling in the early 14th century with Chaucer's *Canterbury Tales* and Boccaccio's *Decamerone* books consisting of individual short stories within a larger frame story Only in the 19th century modern short stories began to be

considered a proper genre Print magazines represented a strong market for short fiction theories related to this began to surge as for example Edgar Allan Poe s The Philosophy of Composition Nowadays the number of commercial magazines publishing short stories has decreased but they appear to have found their place in online publications Today reading has become a minor activity in people s lives with globalisation technological progress and a fast growing media industry In schools pupil s interest is increasingly difficult to stimulate especially when it comes to literature in the English Second Language classroom Students are used to fast information input without necessarily having to become active themselves they lose concentration easily when the learning process takes too long or they lose patience when they do not understand right away The use of short stories in the English Foreign Language classroom is one possibility to respond to this problem teachers of foreign languages have to face Therefore this paper is going to define the genre of the short story as such to create a basis for the following presentation of the benefits of short stories for the North Rhine Westphalian English Language Classroom In the next step the curricula and guidelines are taken into consideration in order to develop some ideas on how to implement The Machine that Won the War by Isaac Asimov in class These will be integrated into a lesson plan with several activities around the story There are several theoretical works dealing with the lecture of short stories starting with Poe s work mentioned above Allen Walter s The Short Story in English Charles E May s The Short Story The Reality Artifice or Frank Myszor s The Modern Short Story Some articles have been written e g by R diger Ahrens Die bisherige Rolle der Short Story im Englischunterricht der Sekundarstufe II dealing with the use of short stories as a way of teaching literature Most has certainly been written about didactics of English in German classrooms such as Wolfgang Gehring s Englische Fachdidaktik Eine Einf hrung Englisch lernen und lehren Didaktik des Englischunterrichts by Johannes P Timm or Egon Werlich s Praktische Methodik des Fremdsprachenunterrichts mit authentischen Texten

The Great Expectations School Dan Brown,2011-09 At the age of twenty two Dan Brown came to P S 85 as an eager fresh faced teacher He was even as signed his own class 4 217 Unbeknownst to him 4 217 was the designated dumping ground for all fourth grade problem cases and his students would prove to be more challenging than he could have ever anticipated Intent on being a caring dedicated teacher but confronted with unruly children absent parents and a failing administration Dan was pushed to the limit time and again he found himself screaming with rage punching his fist through a blackboard out of sheer frustration often just wanting to give up and walk away Yet in this seeming chaos he slowly learned from the more seasoned teachers at the school and from his own mistakes how to discipline teach and make a difference The Great Expectations School is the touching story of Class 4 217 and their teacher Mr Brown But more than that it is the revealing story of a broken educational system and all those struggling within and fighting against it

Chaucerotics Geoffrey W. Gust, 2018-07-12 Chaucerotics examines the erotic language in Chaucerian literature through a unique lens utilizing the tools of pornographic literary theory to open up Chaucer's ribald poetry to fresh modes of analysis By introducing and applying the notion of Chaucerotics this study argues for a more historically nuanced and theoretically sophisticated understanding of the obscene content in Chaucer's fabliaux and Troilus and Criseyde This book demonstrates that the sexually suggestive language of this magisterial Middle English poet could stimulate and titillate various literary audiences in late medieval England and even goes so far as to suggest that Chaucer might well be understood as the Father of English pornography for playing a notable liminal role in the development of porn as a literary genre In making this case Geoffrey W Gust presents an insightful account of an important intellectual issue and opens up the subject of premodern pornography to consideration in a way that is new and highly provocative
