The Devil by Name Keith Rosson,2024-09-10 Fever House and The Devil by Name are exciting suspenseful horrifying and written at a flurry of punches pace Read them now and you can thank me later STEPHEN KING No one expected the apocalypse would be broadcast via phone call But in this chilling sequel to Fever House anyone who managed to survive that doomsday call has a harrowing answer to the question Where were you when the Message came through Five years after the event that drove most of the global population to madness the world is overrun with the fevered once human zombielike creatures drawn indiscriminately to violence and murder In a campaign to restabilize the country the massive corporation known as Terradyne Industries has merged with the U S government in a partnership of dubious motives quarantining major American cities behind towering walls and corralling the afflicted there with the hope they say of developing a vaccine In Portland where it all began guilt ridden detective John Bonner scours the city s darkest corners for clues to humanity s redemption In New England Katherine Moriarty mourns the devastating losses of her husband and son while in hiding from Terradyne And across the ocean in France a sixteen year old girl named Naomi Laurent discovers she has a disturbing and powerful gift which may just be the key to the world s salvation Equal parts gruesome and beautiful The Devil by Name is a heart stopping breakneck saga of survival As its characters paths inevitably collide across the ravaged landscape of a post apocalyptic America they are united by the desire to not just escape death but to carve out some way to live anew Everything starts and ends in the fever house
