worship and constancy in prayer FIX YOUR EYES ON JESUS walks you the reader through daily devotions from Ash Wednesday through Pentecost See your need for repentance Follow Jesus as He defeats Satan in the wilderness Rejoice in the cross He leads you to bear as His disciple For He has died once for you on the cross and shed His blood for you He rose to daily proclaim you forgiven washed made alive in His Name The crucifix shines Christ Jesus ongoing love for us Yes Jesus is risen never to die again Now He who once bled and died sympathizes with us who daily walk through death s dark shadow I pray these devotions will encourage your Lent and Easter seasons Heb 12 1 2 Therefore since we are surrounded by so great a cloud of witnesses let us also lay aside every weight and sin which clings so closely and let us run with endurance the race that is set before us looking to Jesus the founder and perfecter of our faith who for the joy that was set before him endured the cross despising the shame and is seated at the right hand of the throne of God The Atlantic Monthly ,1894

Russia Under the Last Tsar Theofanis G. Stavrou,1969-04-25 Russia Under the Last Tsar was first published in 1969 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions The reign of Russia s last tsar Nicholas II from 1894 to 1917 constitutes a period of continuing controversy among historians Interesting in its own right it is also a time of great importance to an understanding of the cataclysmic events which followed in Russian history In this volume eight scholars contribute interpretive essays on some of the most significant forces and issues in Imperial Russia during the two decades before the revolutions Professor Stavrou writes an introductory essay The other essays and authors are on Interpreting the Fate of Imperial Russia by Arthur Mendel University of Michigan Russian Conservative Thought before the Revolution by Robert F Brynes Indiana University Russian Radical Thought 1894 1917 by Donald W Treadgold University of Washington Russian Constitutional Developments by Thomas Riha University of Colorado Problems of Industrialization in Russia by Theodore Von Laue Washington University Politics Universities and Science by Alexander Vucinich University of Illinois The Cultural Renaissance by Gleb Struve formerly of the University of California Berkeley and Some Imperatives of Russian Foreign Policy by Roderick E McGrew Temple University The book is illustrated with photographs of some of the principal figures in the history of the period and there are a bibliography and index As Professor Stavrou points out in his preface the contributors did not consult with one another before preparing their respective essays and the various approaches are refreshingly different in their assessments of the period The book as a whole provides a panoramic view of the fascinating Russia of Nicholas and Alexandra It will be interesting to general readers and especially useful as a textbook for courses in Russian or modern European history The Art of Compromise Boris Thomson,2001-01-01 Although the Russian novelist and playwright Leonid Leonov had published extensively before 1917 he considered that his literary career began only in 1922 with the short story Buryga His talent developed rapidly in the comparatively free cultural climate of the first decade of the Revolution and by 1927 his characteristic style and themes were already formed It was in this year however that the

Communist Party began to impose its demands on the artists and intellectuals Leonov's beliefs and values were incompatible with the Soviet version of Marxism but he tried to affirm them indirectly in his work through structure imagery and allusion while outwardly conforming to official demands This manoeuvring inevitably led him into some questionable compromises which in turn damaged his reputation both at home and abroad Leonov himself was painfully conscious of the moral dilemmas involved and his later works return again and again to the question is it possible to compromise without being compromised There are fourteen chapters in the volume each devoted to one or more of Leonov's works setting the successive stages of his evolution against a background of changing cultural and political policies **Reformed**

Evangelicalism and the Search for a Usable Past Ian Hugh Clary, 2020-09-07 The question of how theology shapes a Christian historian's reading of the past has been debated thoroughly in various academic periodicals Should historians recognise the role of providence in their accounts of past events Should they sympathise with their subject's theology Can objectivity be lost due to theological bias And last but not least is there a compromise of faith if one writes natural instead of supernatural history Such questions are important for understanding the historian's profession Arnold Dallimore who trained and specialised in pastoral ministry in Canada wrote an influential biography of the revivalist George Whitefield as well as others on Charles and Susanna Wesley Edward Irving and Charles Spurgeon How did his Reformed theological perspective impact his historiography How does his work fit into larger historiographical debates concerning the nature of Christian history While other books look at Christian historiography using abstract and methodological approaches this book examines the subject precisely by looking at the life and work of an individual historian It does so by placing Dallimore in the context of being a minister in twentieth century Canada as well as his role in the development of Reformed Theology in the Anglosphere It also examines the quality of his various biographies focusing on key issues such as the nature of religious revival the problem of Christianity and slavery and the question of charismatic religious experience His study concludes by examining the relationship between the discipline and profession of church history and asking what is required for one to be considered a church historian *Rochester: Redemption* J.L. Niemann, 2013-12-10 Edward's obsession with Jane has consumed him to their mutual undoing The intensity of his love and desire for her has rendered him thoroughly reckless and desperate Meanwhile revelations of his past have led Jane to flee Thornfield Hall in search of safety away from him Here Edward is now broken and abandoned by both Jane and himself standing in the wreckage of his many deceptions Edward has a lonely path ahead and on his journey he must gain understanding of his drives demons and downfalls To help him is the support of his friend Arthur Eshton the counsel of vicar Peter Wood the advice of Dr Carter and that of his long time solicitor Alistair Blakely as well as the loyalty of Thornfield's staff Leah John and newcomer David Yet darker forces are near to him too in the form of Blanche Ingram St John Rivers Richard Mason and of course Edward himself With little hope of Jane's return will Edward succumb to his sinful vices and turns of passionate temper Or will he find strength and faith enough to bring Jane

back thereby attaining his ultimate redemption **Seeds in the Heart** ,1999 Donald Keene a noted authority in the field offers a guide through the first 900 years of Japanese literature This period not only defined the unique properties of Japanese prose and prosody but also produced some of its greatest works **Baseball and New York: A Poetic Walk** Randall Wayne McLean,2015-12-03 For Randall McLean talking about baseball is as easy as breathing He can have a casual conversation with anybody on any baseball related topic As a baseball aficionado and researcher Randall nicknamed Bando grew up around baseball from playing Little League to coaching Little League In *Baseball and New York A Poetic Walk* Randall writes on a vast array of all things baseball and New York from his trips to Cooperstown at the National Baseball Hall of Fame to his adventurous first and subsequent trips to New York City including his experience during 9 11 He not only walks you through written historical achievements but also his own personal baseball stories which is reflected through his poetry From his insightful humor and personal viewpoints into baseball his passion for the game shows through in his writings not only for the experienced baseball fan but for those who want to cherish and celebrate history His love for the sport has inspired him to write *Baseball and New York A Poetic Walk* his first written homage to the sport Randall lives with his wife outside Vancouver British Columbia For more information visit www.baseballsayitaintso.blogspot.ca **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library.
