The Beetle A Mystery Richard Marsh, 2021-02-19 The Beetle A Mystery by Richard Marsh A story about a mysterious oriental figure chasing a British politician in London where he wreaks havoc with his hypnotic and shapeshifting powers Marsh's novel is a piece with other sensational turn of the century fictions such as Stoker's Dracula George's Trilby du Maurier and Fu Manchu by Sax Rohmer Like Dracula and many of the sensational novels introduced by Wilkie Collins and others in the 1860s The Beetle is told from the perspective of multiple characters a technique used in many late 19th century novels those of Wilkie Collins and Stoker for example to create suspense Richard Marsh was the pseudonym of the British author Richard Bernard Heldmann The title character is Mary Louise Burrows In the first books of the series she is a fifteen year old girl with an unusual maturity although the other girls at her boarding school find her a bit cheeky She is suddenly confronted with the fact that her beloved grandfather is suspected no less of a crime than of treason against the United States With the help of old and new friends of Mary Louise the truth is discovered The novel features a federal agent named John O Gorman he is assisted by his daughter Josie a young woman who he trained himself to function as an investigator Josie O Gorman's character despite her predating Nancy Drew by over a decade is far less traditionally female

The Beetle has arrived in London to wreak a mysterious vengeance on politician Paul Lessingham. When this strange creature, born neither of God nor man, orchestrates the disappearance of Lessingham's fiancée Marjorie, it becomes a race against time to solve the mystery of the Beetle and save Marjorie from an unthinkable fate. Told alternately from the points of view of Robert Holt, a clerk who is hypnotized into becoming a mindless slave; Marjorie, a beautiful and independent New Woman; Sydney Atherton, a cynical inventor of murderous weapons of war; and the clever detective Augustus Champnell, The Beetle is a thrilling mystery that will keep readers guessing until its startling climax. This new edition is certain to become the definitive edition of Marsh's most successful novel. It features the unabridged text of the 1897 first edition, including a reproduction of its cover and all four illustrations by John Williamson. Minna Vuohelainen's introduction corrects the errors of previous scholars and places the novel in the context of fin de siècle fiction and growing uneasiness over urban conditions, imperialism, and gender roles. Also featured in this edition are substantial selections of fictional and nonfictional contextual material, including excerpts from Marsh's other works and unpublished manuscripts, as well as detailed notes for modern readers.
