The Billionaire And The Waitress:

The Billionaire and the Waitress Constance Masters, 2015-09-25 Josh Wheeler hadn't come to this small town diner looking for romance this was a business trip but when Chelsea Patterson walks up to his table work takes a back seat in a hurry By the end of the day Josh is absolutely sure of one thing Chelsea is something special After years spent resisting the advances of women enchanted only by his money he isn't going to let a girl like this slip through his fingers The feisty waitress needs a man to tame her and Josh is more than ready to be that man even if it means taking her over his knee for a good hard spanking The last thing Chelsea needs is another guy trying to get into her pants but Josh is like no man she has known before It isn't the helicopter rides to his mansion or the private chef which impress her What sets her heart racing is the way he looks at her like a man who wants her all of her not as a good time for a night but as his for life And then there are the spankings Chelsea never suspected that the mere threat of one could leave her blushing and weak in the knees but she can barely contain her desire when Josh makes it clear that he is the kind of man who will bare her bottom and spank her soundly when she is naughty But when Josh asks her to leave her job and move in with him after only a few weeks Chelsea's initial doubts resurface Could he really want her as anything more than a trophy Publisher's Note The Billionaire and the Waitress is an erotic romance novel that contains sexual scenes and spankings including domestic discipline in a contemporary setting If such material offends you please don't buy this book
