ushering in a sudden and violent orchestral tutti brassy and loud which filled the huge auditorium with the dark ferocity of the storm it depicted Vicki let the eruption pass through her finding herself carried by its torrential force allowing the moment to fill her with an awed respect for nature's power She knew that it could not last and the audience was soon deposited kindly into the peaceful meadow of the storm's passing Horn calls signaled the all clear and as one can always expect from Rossini the good humor and delicate social fun poking resumed
