The Book Club Chronicles, Part Four - Macbeth Joan H. Parks, 2015-06-08 The ladies having completed their study of Romeo and Juliet move on to Macbeth It is February in Chicago a dreary month that seems to last forever The skies are grey the streets cold and dangerous a setting that mirrors Macbeth The three witches who make their target Macbeth the ghosts who torment Macbeth and his consort Lady Macbeth resonate with what is happening in their own lives Katherine is haunted by the certainty that her cancer will recur and is terrified that she will die alone Franny is tormented by the ghosts from her past that she thought she had escaped by marrying Sam Annie reconciled with Bill is worried about the fate of the artists writers and doctors in a culture that exploits those who do the actual work Claire is disturbed by the play and the pain it is causing her and her friends All are intensely aware of how little time is left to them and how precious that remaining time is Changes welcome or not come to all the ladies The Book Club and their friendships provide sustenance and comfort in this unsettled time of their lives

The Book Club Chronicles—Part Six—The Tempest Joan H. Parks, 2018-03-28 The storms of autumn arrive and the storms of their lives continue The ladies decide to study Shakespeares The Tempest wrongly thinking that a comedy will be easier than another of the big tragedies Finding a suitable filmed version is difficult reading the text is even more difficult They struggle seeing in this late play parts that mirror their own experiences Claire and Henry struggle in their late life marriage with the debris and assumptions from their earlier marriages Annie fights against the physical constraints that come with her aging as Bill wrestles with what he will do after retirement Katherine is haunted by her past and her brush with cancer and has trouble accepting that Mark is in her life for the duration Frannie now has grandchildren and a measure of happiness because she has faced the demons of her upbringing The new members of the book club Sally and Clarissa have their own issues as their long standing friendship shatters Clarissa is rejuvenated by one new passion and one old passion All this occurs and is illuminated by their reading of the glorious music and the strange plots of The Tempest

The Book Club Chronicles Joan H. Parks, 2023-08-08 As the ladies study A Midsummer Night s Dream they discover yet again the complexities of Shakespeare s play They discover that under the glorious poetry A Midsummer Night s Dream has a complicated structure The plot what there is of it is about lovers lovers being parted by tyrannical fathers lovers being won in combat lovers being wooed lovers moaning about unrequited love fairy lovers squabbling and disturbing all life around them Then there are the famous mechanicals who are a counterpoint to the over the top love stories Penelope a very old lady has been invited into the book club She inadvertently stirs up an old hurt and her own past comes back to haunt and entertain her Clarissa known as the kid for she is merely in her mid fifties is conflicted about Steve who has returned to her What is his place in her heretofore simple life Hovering over them are Shakespeare s imaginary characters who challenges their intellects as well as their emotions They as always wrestle with their own love stories late life marriages as they struggle to make sense of this beloved play

Parks,2015-10-26 Alimah torn between her love for Kaliq and her need to develop her gifts for song and dance stays in The Land of the One River With her Uncle Bakiri and a small band of protectors they stay near the school where she can learn more of her arts Enemies lurk at the school but neither she nor Bakiri can tell who they are or why Alimah is the target At the school she and The Golden One who comes from the far north are dazzled by each other and both shunned by the other students become friends Attacked he escapes to warn Alimah and her protectors of her danger Still not knowing the reasons Bakiri The Golden One and Alimah and all their protectors seek refuge in the homes of those who breed and protect the famous war mares They are hunted by those who wish to capture them Thrown together by violence and constantly on the move Alimah and Havardr witness the savage forces let loose by the Great Destruction They come together At the end of the late bronze age where the world that they knew is being destroyed these two lovers must make hard choices between the desires of their hearts and the duties that they owe to their own kin If they part as it seems they must they will never hold each other again But unseen by others deep in their hearts the memories will endure
