they met them dancing in the open dells of the forests and saw them beautiful girl fairies wading and swimming in the river pools These fairies were as friendly as they were fair to see and the fairy of the oak tree or the well would step out of it when a handsome shepherd or warrior passed and the pair would fall in love with each other and some times marry Homer the Oldest of Greek poets tells us as if it were the most natural thing in the world about a man who married a fairy and how as they were kind friendly people they built their house near a road and entertained all the passers by This sort of thing is still going on in the islands of the Pacific or so the natives believe A native of New Caledonia a young man the friend of a cousin of mine named Jim came to see him once and stayed long and seemed nervous and cried when he was saying goodbye About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Book of Saints and Heroes Joanna Bogle, 2013-07 Life is a great adventure God calls each of us to do something that is unique to give some particular service that only we can give As we grow up we pray about this and are open to hear God's call This book is about men who did that They are heroes men who put a priority on God and on truth on serving others and on doing the right thing They knew that these things are much more important than personal comfort or well being Reading the stories of heroes can be exciting but also a bit daunting It can make us think Would I be brave enough to do that But people aren't born brave They acquire courage as we can acquire other virtues by

prayer and by practice Today there are still martyrs for the Faith and people who endure hardship and difficulty rather than betray what they know to be true In this book Joanna Bogle has written about some of the great saints and heroes from long ago St Peter the very first Pope St Edmund the boy king in Saxon England St Thomas More who lived and died under King Henry VIII But half of the book is about men who lived in more modern times including the 20th century and one who lived into the 21st These are men whose lives really are quite close to our own And who will be the saints and heroes of the years to come
