The Bosses Club Richard A. Gregory, 2011-02-23 The Johnstown Flood is an iconic tragedy in our nation's history like the Chicago Fire the sinking of the Titanic or the San Francisco earthquake Many books have been written about the devastating 1889 Johnstown Flood but few about the period before or after the flood why did the town develop in such a remote valley and why didn't those who lived below the dangerous dam do something about it My book *The Bosses Club* answers those questions but more importantly illuminates often overlooked circumstances that contributed to the origin for the catastrophe like the Pennsylvania Canal and Pennsylvania Railroad How their rapid development set the stage and led to the rivalry between Cambria Iron Company and Carnegie to dominate the burgeoning Steel industry [The Bosses Club](#)

Kathleen E. George, 2014-04-01 Ellen Emerson may be the last living survivor of the Johnstown flood She was only four years old on May 31 1889 when twenty million tons of water decimated her hometown of Johnstown Pennsylvania Thousands perished in what was the worst natural disaster in U S history at the time As we witness in *The Johnstown Girls* the flood not only changed the course of history but also the individual lives of those who survived it A century later Pittsburgh Post Gazette reporters Ben Bragdon and Nina Collins set out to interview 103 year old Ellen for Ben's feature article on the flood When asked the secret to her longevity Ellen simply attributes it to restlessness As we see that restlessness is fueled by Ellen

s innate belief that her twin sister Mary who went missing in the flood is somehow still alive Her story intrigues Ben but it haunts Nina who is determined to help Ellen find her missing half Novelist Kathleen George masterfully blends a history of the Johnstown flood into her heartrending tale of twin sisters who have never known the truth about that fateful day in 1889 a day that would send their lives hurtling down different paths The Johnstown Girls is a remarkable story of perseverance hard work and never giving up hope in the face of seemingly insurmountable odds It s also a tribute to the determination and indomitable spirit of the people of Johnstown through one hundred years three generations and three different floods

She's the Boss Rochelle Schweizer,2010-09-23 Why Is Nancy Pelosi the Most Dangerous Woman in America Most people see Pelosi exactly the way she wants them to a cultured San Franciscan politician from an esteemed family But underneath the Chanel suit and Mikimoto pearls is a true political boss as in T weed Don t be fooled by her image as a caring grandmotherly public servant Nancy Pelosi is all business She s the Boss charts Pelosi s carefully orchestrated rise to power as a uniquely American ruling class diva who is not so subtly replacing by the people for the people with have your people call my people From her father a congressman and then mayor of Baltimore whose political machine was tainted by scandal Pelosi learned about patronage ruthlessness and the credo of the party boss never admit to anything never apologize and attack when challenged As Speaker of the House Pelosi once pounded her gavel so hard it left a dent in the lectern She frightens even those who agree with her on almost everything She punishes those who stand in her way And her hypocrisy knows no bounds While Pelosi spends millions in taxpayers dollars to green up the capital and expects Americans to pay for their carbon footprints she demands a bigger jet for her trips across the globe as well as military G5s for holiday weekends She claims to act for the benefit of the American people yet enriches her family s portfolio through pet legislation and personal financial dealings She tried to enact taxpayer funding for abortions defying the teachings of the Catholic Church of which she is a member With promises of utopia she drives massive legislation deals through Congress by stiff arm twisting knowing she and her allies will profit at the expense of the electorate It will be clear after reading She s the Boss that the party works for Pelosi

The Woman in the Photo Mary Hogan,2016-06-14 In this compulsively readable historical novel from the author of the critically acclaimed Two Sisters comes the story of two young women one in America s Gilded Age one in scrappy modern day California whose lives are linked by a single tragic afternoon in history 1888 Elizabeth Haberlin of the Pittsburgh Haberlins spends every summer with her family on a beautiful lake in an exclusive club Nestled in the Allegheny Mountains above the working class community of Johnstown Pennsylvania the private retreat is patronized by society s elite Elizabeth summers with Carnegies Mellons and Fricks following the rigid etiquette of her class But Elizabeth is blessed cursed with a mind of her own Case in point her friendship with Eugene Eggar a Johnstown steel mill worker And when Elizabeth discovers that the club s poorly maintained dam is about to burst and send 20 million tons of water careening down the mountain she risks all to warn Eugene and the townspeople in the lake s deadly shadow Present day On her eighteenth

birthday genetic information from Lee Parker's closed adoption is unlocked. She also sees an old photograph of a genetic relative, a 19th Century woman with hair and eyes like hers, standing in a pile of rubble from an ecological disaster next to none other than Clara Barton, the founder of the American Red Cross. Determined to identify the woman in the photo and unearth the mystery of that captured moment, Lee digs into history. Her journey takes her from California to Johnstown, Pennsylvania, from her present financial woes to her past of privilege from the daily grind to an epic disaster. Once Lee's heroic DNA is revealed, will she decide to forge a new fate.

Corbynism Matt Bolton, Frederick Harry Pitts, 2018-09-24. Corbynism as a political movement is now in the ascendancy and conceivably is also on the verge of power. This book provides a critical overview of what Corbynism is, above and beyond Jeremy Corbyn himself, placing it within the context of populist left and right movements that have taken hold across the globe.

The Public City Philip J. Ethington, 2001-07-06. Philip J. Ethington challenges the assumptions of several decades of urban history that treat American urban politics as the expression of social group community experience. Instead, he maintains, in The Public City, social group identities of race, class, ethnicity, and gender were politically constructed in the public sphere in the process of political mobilization and journalistic discourse.

How to Win 21 & Poker, Dice, Races, Roulette Mike Goodman, 2016-11-11. THE ONE IMPORTANT THING TO KNOW ABOUT GAMBLING is that there is no guaranteed way to win all the time. But there is a guaranteed way to lose constantly, and that is when you don't understand the basic rules of playing and betting. It is appalling how many people, even big money gamblers, lose consistently and don't know why. There are only two types of gamblers: those who really know the game and suckers. Mike Goodman, a veteran professional gambler, gives you an amazing, easy-to-understand insight on how to gamble and win HORSE RACING: watch those second favorites; let the suckers play the favorites; they're usually overplayed. DICE: you're a sucker if you don't take advantage of the odds, but the real pay-off comes when you know how to bet. SLOTS: there's only one way to beat those one-arm bandits, but unfortunately, it's against the law. ROULETTE: it's tough to beat the house percentage, but there are ways to lose less, keep you in the game, and then who knows. BLACKJACK 21: here's a game you can win at consistently if you learn the tricks and how to put lady luck on your side. POKER: you get real help here; tips that'll open your eyes, make you play a better game, and win. This book gives solid advice on how you can become a tough player and helps tilt the odds more in your direction. I'm just plain sick of experts who promise the moon but peddle virtually worthless advice. Somewhere in their pitch, you're told that they're not multi-millionaires because they are not allowed in gambling casinos, and I challenge any one of them to use this system at craps 21 or roulette at my casino. If they haven't got the guts to back up their system with hard cash, I challenge them to meet me face-to-face in public to debate any phase of gambling on which they claim to be an authority. Mike Goodman.

Abrahams,2007-04-02 In an historic turn grassroots America has overcome its apathy and cyclic reversion to the ways of the past last induced by Islamic fundamentalism Newly cognizant of its inherent interests grassroots America has responded to the vision of Barak Obama and Hillary Clinton and flocked to the polls The emotions of politics take front and center In *Democracy From The Grassroots A Guide to Creative Politics* we examine in depth the political passion of the grassroots and these emergent leaders Beginning with an inspiring historical overview of grassroots politics in America the author then guides us through its organizational structures the political clubs committees councils caucuses and workshops wherein real people work to create real change A chapter devoted to the analysis of issues the systems which determine their resolution and their role in the political campaign serves to enlighten and motivate the ideal lead in to an exhaustive section on training A concise summary integrates the hypotheses set forth about the role of grassroots politics in American social development

And in a unique and compelling twist that model is then compared to the individual's development as a person. Written by psychoanalyst, political activist, and scholar Dr. Joseph Abrahams, *Democracy From the Grassroots: A Guide to Creative Political Action* presents the pioneering work of three decades in the grassroots trenches. At once a vibrant history lesson and a call to action, this slender volume is as lush in practical how-to as it is in thoughtful reflection and insight. The appendix is remarkable for its richly annotated bibliography and a revealing chronicle of the events and issues of American grassroots movements.
