The Buried Giant English Edition:

The Cambridge Companion to Kazuo Ishiguro Andrew Bennett, 2023-03-23 A lively accessible and authoritative introduction to the work of Kazuo Ishiguro one of the leading novelists of our time **The Buried Giant** Kazuo Ishiguro, 2015-03-01 An extraordinary new novel from the author of *Never Let Me Go* and the Booker Prize winning *The Remains of the Day* You've long set your heart against it. Axl I know. But it's time now to think on it anew. There's a journey we must go on and no more delay. *The Buried Giant* begins as a couple set off across a troubled land of mist and rain in the hope of finding a son they have not seen in years. Sometimes savage often intensely moving. Kazuo Ishiguro's first novel in a decade is about lost memories love revenge and war National Medievalism in the Twenty-first Century Matthias D. Berger, 2023 How ideas and ideals of an imagined protean national Middle Ages have once again become a convergence point for anxieties about politics history and cultural identity in our time and why. After a period of abeyance the link forged in the nineteenth century between the Middle Ages and national identity is increasingly being reclaimed with numerous groups and individuals mining an imagined medieval past to present ideas and ideals of modern nationhood. Today's national medievalism asserts itself at the interface of culture and politics in literature and television programming in journalism and heritage tourism and in the way political actors of various stripes use a deep past that supposedly proves the nation's steady exceptionalism in a hectic globalised world. This book traces these ongoing developments in Switzerland and Britain two countries where the medieval past has recently been much invoked in negotiations of national identity independence and Euroscepticism. Through comparative analysis it explores examples of reemerging stories of national exceptionalism stories that ironically echo those of other nations. The author analyses depictions of Robert the Bruce and Wilhelm Tell medievalism in the discourse surrounding Brexit as well as at the Welsh Senedd novels like Paul Kingsnorth's *The Wake* community based art such as the Great Tapestry of Scotland and elaborate public commemorations of Swiss victories and defeats in battle. Basing his critical readings in current theories of cultural memory heritage and nationalism the author explores how the protean national Middle Ages have once again become a convergence point for anxieties about politics history and cultural identity in our time and why Kazuo Ishiguro Kristian Shaw, Peter Sloane, 2024-03-13 A comprehensive collection of newly commissioned essays from world leading Kazuo Ishiguro scholars which offers chapters on each of the novels including the first publication on *Klara and the Sun* 2021 short fictions and screenplays. *Kazuo Ishiguro Twenty First Century Fictions* offers a critical reappraisal of the 2017 Nobel Laureate while also uncovering important new thematic and stylistic insights.

Multiculturalism, Multilingualism and the Self: Literature and Culture Studies Jacek Mydla, Małgorzata Poks, Leszek Drong, 2017-07-31 This edited collection explores the conjunction of multiculturalism and the self in literature and culture studies and brings together essays by prominent researchers interested in literature and culture whose critical perspectives inform discussions of specific examples of multicultural contexts in which individuals and communities strive to
