What is the True Christianity ? Hendrick Park,2012 Today there is a pervasive indifference to the question What is the Christianity This is a serious situation because there are numerous false or only partly false or only partly true and partly false versions of Christianity in the world This indifference is also an indication of one s indifference to the God A person cannot be indifferent to the God Who holds his future in His hands and has power to determine his ultimate destiny and about the true religion that God has revealed for mankind The author of this book believes that neither the Roman Catholic Church nor the current Protestant Churches are the true church that represents the True Christianity although the Protestant denominations are truer to the Christianity of the New Testament than the Catholic Church The renowned Catholic theologian Hans Kueng pointed out the deplorable problems of the catholic Church and called for the reform of the Church in his book The Roman Catholic Church 2001 The True religion of God must be preserved intact and this preservation is the greatest duty of the Christians and the church to God According to prophets of God Justice and Mercy and the pure preservation of the True religion of God are the two main concerns of God and God laments the gullibility and blind submission of people to wicked religious leaders The author of this book is a retired minister of the United Church of Canada and holds a Th D from the University of Toronto In 2008 he published The Roman Catholic Church A Critical

Appraisal through the Xulon Press **I Left It on the Mountain** Kevin Sessums, 2024-05-01 A New York Times bestseller from an author sharing the darkest moments of his life and how he found the light again in this honest and vulnerable memoir On his fifty third birthday Kevin Sessums woke up in his L A hotel room wondering how he would get through his scheduled interview with Hugh Jackman For years he had interviewed the bright lights Madonna Courtney Love Jessica Lange and all the other usual suspects but Kevin knew that his rapidly unraveling life was as shallow as the hotel's hip furniture and he was hanging on by his fingertips In *I Left It on the Mountain* Sessums chronicles his early days in NY as an actor his years working for Andy Warhol at Interview and Tina Brown at Vanity Fair countless nights of anonymous sex his HIV Positive diagnosis and his descent into addiction It's also the chronicle of one man's spiritual redemption found while climbing to the top of Mt Kilimanjaro walking the Camino de Santiago de Compostelo and trudging across the cold lonely winter beaches of Provincetown Peopled with the famous like Daniel Radcliffe and Diane Sawyer as well as anonymous companions corporeal and otherwise whom he met while mountain climbing and hiking *I Left It on the Mountain* is the story of one man's fall and rebirth the next moving chapter in Kevin Sessums extraordinary life that takes him from the high to the low and back again A gay Wild with drugs and sex and a spirituality that shocked even me John Waters A smart and emotionally rich story rife with failure forgiveness and the yearning for significance Los Angeles Review of Books *The View from the Border* John Kotre, 2017-07-28 In this unique psychological study John Kotre provides some startling answers to the questions Catholics are now asking about those who abandon the church those who remain in it and those who attempt to create a new church within the church A detailed examination of the borderline between membership and ex membership in the Catholic Church as perceived by young adults reared within the Catholic educational system the book provides an impressive substantive contribution to understanding not only of the modern church but of organizational change in general Kotre himself a product of the Catholic educational system positions himself amid the tension and ambiguity between those who consider themselves in and those who consider themselves out of the Catholic Church He designed a systematic questionnaire covering four hundred variables about each subject's beliefs values perceptions of parents and reasons for being an insider or an outsider Using this questionnaire he individually interviewed one hundred graduates of Catholic colleges The surprising results of this important research show that in spite of sixteen years of formal Catholic education the attitudes of both the ins and the outs are not influenced by their Catholic upbringing so much as by their primary group relationships Recent research has shown that adult Americans are leaving their childhood faiths at ever increasing rates and that the Catholic Church is suffering the greatest losses Kotre's book offers an insightful psychological perspective on this dramatic movement It is a must read for professional psychologists and sociologists theologians and people interested in the psychology and sociology of religion *Why I Left the Catholic Church* Samuel J. God Forbid Kathleen M. Sands,2000 Since the 1980s religion has been most visible in American public life when issues of sexuality and reproduction are at stake Paradoxically however the voices that speak most loudly in the name of religion are often unschooled in religious history world religions theology or ethics As a result religion in America is misrepresented as anxiously and obsessively concerned with sex and as uniformly supporting the conservative agenda of family values This volume corrects that distortion in American public discourse Its thirteen previously unpublished articles introduce scholarly perspectives on issues including the family gay rights abortion welfare policy prostitution and assisted reproduction They richly display the complexities and conflicts that exist not only between but within America s various religious traditions for example the pro choice strain within Christian history the support of many religious denominations for gay rights and the criticism of patriarchal family structures within religious communities past and present In these essays contributors put forth views of sexual ethics that are just and compassionate respectful of cultural pluralism and attentive to democratic processes Thoroughly researched lucidly written and carefully argues this anthology will debunk the claims of the Religious Right to be
