Add these behaviors gradually and watch your life become steadily more vivid and satisfying. Or you can go on a crash Joy Diet to help you navigate life's emergencies. The ten menu items are: Nothing Do nothing for fifteen minutes a day. Stop mindlessly chasing goals and figure out which goals are worth going after. Truth Create a moment of truth to help you unmask what you're hiding from others and from yourself. Desire Identify, articulate and explore at least one of your heart's desires and learn how to let yourself want what you want. Creativity Learn six new ways to develop at least one new idea to help you obtain your heart's desire. Risk Take one baby step toward reaching your goal. The only rule is it has to scare the pants off you. Treats Give yourself a treat for every risk you take and two treats just because you're you. No exceptions. No excuses. Play Take a moment to remember your real life's work and differentiate it from the games you play to achieve it. Then play wholeheartedly. Laughter Laugh at least thirty times a day. Props encouraged. Connection Use your Joy Diet skills to interact with someone who matters to you. Feasting Enjoy at least three square feasts a day with or without food.
