The Last Time We Say Goodbye:

The Last Time We Say Goodbye Cynthia Hand, 2015-02-10 In the tradition of *Thirteen Reasons Why* and *All the Bright Places* *The Last Time We Say Goodbye* is a deeply affecting novel that will change the way you look at life and death From New York Times bestselling author Cynthia Hand comes a stunning heart wrenching novel of love and loss which ALA Booklist called both shatteringly painful and bright with life and hope in a starred review Since her brother Tyler committed suicide Lex has been trying to keep her grief locked away and to forget about what happened that night But as she starts putting her life her family and her friendships back together Lex is haunted by a secret she hasn't told anyone a text Tyler sent that could have changed everything *Every Time We Say Goodbye* Ivana Sajko, 2025-10-06 every departure is a little death every departure always clings to what it leaves behind and every one deserves its own photo its own legend A man on a train propelled from a small town on the south eastern coast of Europe to Berlin by a gesture of violence As the wheels turn his mind roams free in a feverish attempt to trace the genealogy of that violence in his own past and that of Europe as a whole A man in search of a destination where he can be a stranger but has that better place since ceased to exist Shipwrecks and border pushbacks epidemics and industrial ruins a family divided by economic necessity a brother lost to crime love and fear and memories of happier times in Berlin yet through it all runs a silver thread of hope spun by a far off friend A profound novel of contemporary Europe in the stark and furious voice of Dublin Prize shortlisted Ivana Sajko powerfully translated by Mima Simi *Every Time We Say Goodbye* Jaye Maiman, 2019-08-01 Private Eye Robin Miller trudged down the ice slick sidewalk wondering which was worse the miserably cold New York winter the dead end case she couldn't seem to crack or the fact that her lover K T Bellflower's entire family had just descended upon them like an army of Kentucky locusts Of course that was before Robin's sultry ex lover arrived on the scene and K T's 15 year old niece disappeared in the middle of Times Square Robin Miller Mystery Book 7 Originally published by Naiad Press 1999 **Every Time We Say Goodbye** Jamie Zeppa, 2011-03-08 1942 Her mother's death left Grace Turner detached from the world until she became pregnant Now she's fallen in love with her baby boy but is locked in combat with her sister in law over his care Wanting an independent life for herself and her son Grace leaves Sault Ste Marie to find work and a place of her own in southern Ontario But she worries when she returns for her baby will her brother and sister in law give him up 1957 Teenaged Dean Turner breaks open a locked box and finds adoption papers with a birth certificate for Daniel Turner son of Grace Turner and an unknown father His parents deny that he is adopted but four years later Dean leaves home to find the mysterious Grace 1961 Laura falls in love with Dean Turner soon after he sits down at her table in the Queen Street Eaton's cafeteria but he disappears as suddenly and as devastatingly as he appeared When she encounters him in Sault Ste Marie three years later she is determined not to let him slip away again 1973 Eight year old Dawn Turner waits for her father one morning at the front door of her grandparents house Dawn and her little brother are finally starting a life with their father Dean and his new wife

Occupied City David Peace, 2011-02-08 An extraordinary and highly original crime novel New York Times Book Review that plunges us into post World War II Occupied Japan in a Rashomon like retelling of a mass poisoning based on an actual event its aftermath and the hidden wartime atrocities that led to the crime Hugely daring utterly irresistible deeply serious and unlike anything I have ever read New York Times Book Review On January 26 1948 a man identifying himself as a public health official arrives at a bank in Tokyo There has been an outbreak of dysentery in the neighborhood he explains and he has been assigned by Occupation authorities to treat everyone who might have been exposed to the disease Soon after drinking the medicine he administers twelve employees are dead four are unconscious and the official has fled Twelve voices tell the story of the murder from different perspectives One of the victims speaks for all the victims from the grave We read the increasingly mad notes of one of the case detectives the desperate letters of an American occupier the testimony of a traumatized survivor We meet a journalist a gangster turned businessman an occult detective a Soviet soldier a well known painter Each voice enlarges and deepens the portrait of a city and a people making their way out of a war induced hell *Occupied City* immerses us in an extreme time and place with a brilliantly idiosyncratic expressionistic mesmerizing narrative It is a stunningly audacious work of fiction from a singular writer

Murriyang Stan Grant, 2024-12-04 Shortlisted for the 2025 ABIA Awards Social Impact Book of the Year Stan Grant is talking to his country in a new way In his most poetic and inspiring work yet he offers a means of moving beyond the binaries and embracing a path to peace and forgiveness rooted in the Wiradjuri spiritual practice of Yindymarra deep silence and respect Murriyang in part Grant's response to the Voice referendum eschews politics for love In this gorgeous grace filled book he zooms out to reflect on the biggest questions ranging across the history literature theology music and art that has shaped him Setting aside anger for kindness he reaches past the secular to the sacred and transcendent Informed by spiritual thinkers from around the world Murriyang is a Wiradjuri prayer in one long uninterrupted breath challenging Western notions of linear time in favour of a time beyond time the Dreaming Murriyang is also very personal each meditation interleaved with a memory of Grant's father a Wiradjuri cultural leader It asks how any of us can say goodbye to those we love This is a book for our current moment and something for the ages

The Last Man on Earth Club Paul R. Hardy, 2011-11-11 Six people are gathered for a therapy group deep in the countryside Six people who share a unique and terrible trauma each one is the last survivor of an apocalypse Each of them was rescued from a parallel universe where humanity was wiped out They've survived nuclear war

machine uprisings mass suicide the reanimated dead and more They've been given sanctuary on the homeworld of the Interversal Union and placed with Dr Asha Singh a therapist who works with survivors of doomed worlds To help them she'll have to figure out what they've been through what they've suffered and the secrets they're hiding She can't cure them of being the last man or woman on Earth But she can help them learn to live with the horrors they survived This one won't leave you with the warm and fuzzies but it will leave you thinking and for me that's the mark of great science fiction Sift Book Reviews

My Father and I David Caron, 2011-02-23 It is a living museum of a long gone Jewish life and supposedly a testimony to the success of the French model of social integration It is a communal home where gay men and women are said to stand in defiance of the French model of social integration It is a place of freedom and tolerance where people of color and lesbians nevertheless feel unwanted and where young Zionists from the suburbs gather every Sunday and sometimes harass Arabs It is a hot topic in the press and on television It is open to the world and open for business It is a place to be seen and a place of invisibility It is like a home to me a place where I feel both safe and out of place and where my father felt comfortable and alienated at the same time It is a place of nostalgia innovation shame pride and anxiety where the local and the global intersect for better and for worse And for better and for worse it is a French neighborhood from My Father and I Mixing personal memoir urban studies cultural history and literary criticism as well as a generous selection of photographs My Father and I focuses on the Marais the oldest surviving neighborhood of Paris It also beautifully reveals the intricacies of the relationship between a Jewish father and a gay son each claiming the same neighborhood as his own Beginning with the history of the Marais and its significance in the construction of a French national identity David Caron proposes a rethinking of community and looks at how Jews Chinese immigrants and gays have made the Marais theirs These communities embody in their engagement of urban space a daily challenge to the French concept of universal citizenship that denies them all political legitimacy Caron moves from the strictly French context to more theoretical issues such as social and political archaism immigration and

diaspora survival and haunting the public private divide and group friendship as metaphor for unruly and dynamic forms of community and founding disasters such as AIDS and the Holocaust Caron also tells the story of his father a Hungarian Jew and Holocaust survivor who immigrated to France and once called the Marais home **Purple Dots** Jim Lehrer,2012-08-22 Washington D C is a town full of powerful people with powerful often conflicting agendas and no one knows this better than Jim Lehrer the preeminent capital newscaster and novelist His new book is a witty provocative political mystery about power play and favor swapping at the highest levels of government written with his own unique blend of political savvy and irreverent humor Joshua Bennett has just been nominated by the president to be the new director of the CIA He s the ideal candidate and everyone agrees his confirmation hearing should be a mere formality But this is Washington where nothing as straightforward as choosing the most qualified person for a crucial job can be counted upon Unfortunately for Bennett someone s political agenda hinges on his confirmation being vetoed but he s damned if he can find out whose In need of good covert help he can trust Bennett turns to a little known but highly efficient cadre of former CIA spies living in semiretirement in nearby West Virginia This odd team of sixty plus year old spooks boasting a combined array of exceptional if eccentric and largely illegal talents embarks upon a wildly unorthodox Washington power struggle that is no less earnest for being conducted in absolute secrecy And most secret of all is the highly coveted purple dot the ultimate national perk Following the enormous breakout success of Lehrer s bestselling previous novel White Widow Purple Dots will fascinate and amuse even more readers while confirming their worst fears about how our government really operates **Chasing Lucky** Jenn Bennett,2020-11-10 In this coming of age romance perfect for fans of Jenny Han and Sarah Dessen scandal and romance collide when an ambitious teen returns to her hometown only to have her plans interrupted after falling for the town s bad boy a k a her childhood best friend Sometimes to find the good you have to embrace the bad Budding photographer Josie Saint Martin has spent half her life with her single mother moving from city to city When they return to her historical New England hometown years later to run the family bookstore Josie knows it s not forever Her dreams are on the opposite coast and she has a plan to get there What she doesn t plan for is a run in with the town bad boy Lucky Karras Outsider rebel and her former childhood best friend Lucky makes it clear he wants nothing to do with the newly returned Josie But everything changes after a disastrous pool party and a poorly executed act of revenge lands Josie in some big time trouble with Lucky unexpectedly taking the blame Determined to understand why Lucky was so quick to cover for her Josie discovers that both of them have changed and that the good boy she once knew now has a dark sense of humor and a smile that makes her heart race And maybe just maybe he s not quite the brooding bad boy everyone thinks he is **Congressional Record** United States. McLaughlin, 2007 Jake Robertson a young Black man snared in the welfare to work rut longs to make a better way for his family Piecing together minimum wage jobs and drawing illegally on public assistance simply to make ends meet he hopes against hope for the chance to pull his girlfriend and asthmatic son out of grinding poverty Upon his father's release from prison he is tempted with a crime that could solve his economic woes but which he fears may fate him to the same life as his father a man whose past is dark indeed and about whom Jake has yet to learn one deep terrible secret Amazon.com viewed July 11 2022 **Alive and Still Kicking** Terry Gordon, 2022-06-13 Whether it be racial injustice political unrest climate change starvation or mass shootings the world is an extremely scary place Terry Gordon however likes to look at the lighter side of life which he does in this memoir He shares his observations of daily life along with a little off the wall sense of humour to put a smile on your face He also shares life lessons such as Take a few minutes at the end of every day to reflect on what you accomplished and think about how to make tomorrow a better day Each one of us can improve whether it's through kinder words thoughtful actions or avoiding getting angry at others who are not having a good day or are plain ignorant If we all did a little to help others by listening giving and being respectful the world would be a much happier place Learning is a lifelong adventure and if the author can learn
