Made Love To A Street King Tyra Racquel,2018-05-05 For the love of money is the root of all evil From dope boy to street king Yali and his team rose from the bottom to the top with no worries The respect that they have from around the way leaves them untouchable Until somebody tries to touch them With a hard demeanor Yali s focus is to remain on top by any means necessary until his focus suddenly shifts to a beauty by the name of Eniko She was the rose that grew from the concrete With a past that left her fragile Eniko finds herself relocating to breathe in some fresh air With her attention on her writing career she didn t expect for Yali to creep into her life and steal her heart Falling in love again wasn t something she thought would happen but is that love strong enough not to break their bond when everything goes south Be careful who you let into your life Betrayal is one thing and loyalty is another You may think that you can stay on top forever but always remember When you re on top the only way to go is down

PHILOSOPHY OF NOTHING Adrian Gabriel Dumitru, The book PHILOSOPHY OF NOTHING is a collection of essays that are trying to send the message that in a relationship you can be happy even if you don t have a real relationship together in a classical way but also be unhappy when you have everything together Having everything but actually having nothing having nothing but actually having everything is an idea that we should meditate on it We live in a world of unhappy

marriages that should be totally redefined but actually are dying little by little day by day with no change from any of the 2 partners Waiting for NOTHING for years doing NOTHING but expecting everything from the other side Love is not math and will never be Love is not a business and will be never be Philosophy of NOTHING is trying to define the beautiful side but also the dark side of the love stories The book does not have any architecture and is just a collection of essays And maybe the only message of the book is quite simple to be happy you probably need NOTHING but enjoy the present moment with the person you are in the story Daring to do it you don't need anything cause you actually have everything the love story itself
