

# THE LIGHTNING THIEF:

## Discussion Guide #1

Encourage critical thinking and support your students' literacy development by asking questions during reading. Here are some questions you can ask your readers to engage them in a discussion.

Chapters  
1–3

1. I Accidentally Vaporize My Pre-algebra Teacher
2. Three Old Ladies Knit the Socks of Death
3. Grover Unexpectedly Loses His Pants

### Comprehension:

- Why is Percy both hopeful and nervous about the museum field trip?
- In the first chapter, Percy and Mr. Brunner discuss the myth of Kronos, a Titan from Greek mythology. Explain what Kronos did to his children and what Kronos's wife and Zeus did in response.
- How do both Mrs. Dodds and Mr. Brunner surprise Percy during the museum field trip? What does Percy do in response?
- What does Percy conclude after eavesdropping on Mr. Brunner and Grover?
- Why is Percy surprised when Grover gives him a card with his contact information and suggests he can protect Percy?
- What does Grover observe at the fruit stand that makes him nervous?
- Who is Gabe? What does he demand from Percy when Percy comes home from school?
- What are two reasons Percy is shocked and confused after his mom opens the cabin door during the storm?

### Analysis:

- How does Percy interpret Mr. Brunner's comments about leaving Yancy? Why do you think Percy is more upset by what Mr. Brunner says than he is by his English teacher's criticism?
- Percy's description of the beach cabin shows that he's content and happy when he's there. Based on what you know about his life at school and home, why is the cabin so special to him?

### Personal Connection:

- Percy follows his description of the shabby, run-down beach cabin by saying he loves the place. Describe a place that's important to you but may not seem very special to others. How does the place look, sound, and smell, and why is it special to you?

the essential guide for librarians and teachers who want to develop a quality curriculum based graphic novel collection and use its power to engage and inform middle and high school students *Connecting Comics to Curriculum Strategies for Grades 6-12* provides an introduction to graphic novels and the research that supports their use in schools. The book examines best curriculum practices for using graphic novels with students in grades 6-12, showing teachers and school librarians how they can work together to incorporate these materials across the secondary curriculum. Designed to be an essential guide to harnessing the power of graphic novels in schools, the book covers every aspect of graphic novel use in libraries and classrooms. It illuminates the criteria for selecting titles, explores collection development strategies, and suggests graphic novel tie-ins for subjects taught in secondary schools. One of the first books to provide in-depth lesson plans for teaching a variety of middle and high school standards with graphic novels, the guide offers suggestions for differentiating instruction and includes resource lists of recommended titles and websites.

*Handbook of Research on Reconceptualizing Preservice Teacher Preparation in Literacy Education* Araujo, Juan J., Araujo, Dawn L., 2021-12-17 As it stands, there is currently a void in education literature in how to best prepare preservice teachers to meet the needs of individualized learners across multiple learning platforms, social/economical contexts, language variety, and special education needs. The subject is in dire need of support for the ongoing improvement of administrative, clinical, diagnostic, and instructional practices related to the learning process. *The Handbook of Research on Reconceptualizing Preservice Teacher Preparation in Literacy Education* stimulates the professional development of preservice and inservice literacy educators and researchers. This book also promotes the excellence in preservice and inservice literacy, both nationally and internationally. Discussing topics such as virtual classrooms, critical literacy, and teacher preparation, this book serves as an ideal resource for tenure-track faculty in literacy education, clinical faculty, field supervisors who work with preservice teacher educators, community college faculty, university faculty who are in the midst of reconceptualizing undergraduate teacher education curriculum, mentor teachers working with preservice teachers, district personnel, researchers, students, and curricula developers who wish to understand the needs of preservice teacher education.
