going to support the Undershaw school for special needs children located at one of Sir Arthur Conan Doyle's former homes. Somewhere in the vaults of the bank of Cox and Co at Charing Cross there is a travel worn and battered tin dispatch box with my name John H Watson M D Late Indian Army painted upon the lid. It is crammed with papers nearly all of which are records of cases to illustrate the curious problems which Mr Sherlock Holmes had at various times to examine Dr John H Watson. So wrote Dr Watson in The Problem of Thor Bridge and ever since Sherlockians have been seeking to know more about these tales from the legendary Tin Dispatch Box. While Watson's original Literary Agent only edited the pitifully few sixty stories that make up the original Canon there have since been literally thousands of traditional adventures about the true Sherlock Holmes and yet there will never be enough. In 2018 MX Publishing presented Parts XI and XII of this acclaimed and ongoing series. Some Untold Cases and then in 2020 Parts XXII XXIII and XXIV returned to that theme with Some More Untold Cases. Now that concept is revisited with more Sherlock Holmes adventures that further explore those many tantalizing references to some of Holmes's other Untold Cases as mentioned in The Canon. Join us as we return to Baker Street and discover more authentic adventures of Sherlock Holmes described by the estimable Dr Watson as the best and wisest whom I have ever known.

In 2015 the first three volumes of The MX Book of New Sherlock Holmes Stories arrived containing over 60 stories in the true traditional Canonical manner revisiting Holmes and Watson in those days where it is always 1895 or a few decades on either side of that. That was the largest collection of new Holmes stories ever assembled and originally planned to be a one time event. But readers wanted more and the contributors had more stories from Watson's Tin Dispatch Box so the fun continued. Now with the release of Parts XLIII XLIV and XLV the series has grown to over 900 new Holmes adventures by over 200 contributors from around the world. Since the beginning all contributor royalties go to the Undershaw school for special needs children at one of Sir Arthur Conan Doyle's former homes and to date the project has raised over 120 000 for the school. As has become the tradition this new collection of 63 adventures features Holmes and Watson carrying out their masterful investigations from Holmes's life before meeting Watson to the early days of their friendship in Baker Street all the way to World War I. Along the way they are involved in some fascinating mysteries that progress along completely unexpected lines. Join us as we return to Baker Street and discover more authentic adventures of Sherlock Holmes described by the estimable Dr Watson as the best and wisest whom I have ever known.
