The Last Wild:

The Last Wild Piers Torday, 2014-03-18 A hugely inventive adventure Eoin Colfer New York Times bestselling author of the Artemis Fowl series In a world where animals are slowly fading into extinction twelve year old Kester Jaynes feels as if he hardly exists either He s been locked away in a home for troubled children and is unable to speak a word Then one night a flock of talking pigeons and a bossy cockroach come to help him escape and he discovers that he can speak to them And the animals need him Only Kester with the aid of a stubborn curious girl named Polly can help them survive The animals saved Kester But can he save them When ninety nine pigeons smash through the windows of Kester s prison and carry him North to the last of the animals it s a moment as thrilling as when James flies off in the Giant Peach Highly recommended The Times UK Combines a great fondness for animals with an appreciation of the freakish The reserved narrative tone and tender yet peculiar view of animals give this piece its own offbeat flavor Kirkus Reviews Alternately somber thrilling and silly Publishers Weekly

The Last Wild Piers Torday, 2014 In a world where animals no longer exist Kester Jaynes feels like he hardly exists either He s been locked away in a home for troubled children and cannot speak Then one night some talking pigeons come to help him escape and the animals need him to save them too *The Last Wild* Piers Torday, 2013-08-16 *Hunting the Last Wild Man* Angela Vallvey, 2011-01-04 Falling somewhere between Louisa May Alcott s Little Women and Federico Garcia Lorca s The House of Bernarda Alba Hunting the Last Wild Man tells the story of Candela and her extended family of nine women Our protagonist has had her disappointments in love and floats from one job to another ending up at the local mortuary as an apprentice embalmer There she can tuck herself away from the everyday hubbub of life s demands Late one night Candela finds she must work on the father of a gypsy clan who has left instructions that he must be buried with his cane Her days are changed forever when she discovers that the cane holds more than just the old man s wishes With rich images suggestive of an Alm dovar film with emotional depth and intelligence Vallvey explores the modern woman s cynicism as Candela attempts to integrate an impossibly marvelous stranger into her life

The Last Wild West Neil H Atkinson, 2018-09-12 The story of a man wanting to move forward by travelling back to where he was born the Northern Territory Finding himself on a merciless cattle station where you weren t taught to be a stockman but broken to fit into the mould he is caught in the middle of race wars and deadly violence between white station managers and Aboriginal traditional land owners As black power surges his sympathy grows for an Indigenous elder and his besieged community It was like reading parts of Alex Haley s Roots only it happened in Australia The tale of brutality and injustice in an indifferent country Geoff McDonald author of Red Over Black The writer looked death in the face to protect his Aboriginal friends we owe it to put our hands up and support his story Made me angry sad and proud but couldn t put it down A must read for all Australian s as it exposes a dark mostly unknown part of our race relations most people would rather not know but need to see to remind them standing up to racism demands constant vigil Reggie Jobuda Council of Aboriginal Elders and Indigenous
