The Lightning Tree English Edition:

The Lightning Tree Dwight Barnes, 2022-09-13 The Lightning Tree is a deeply moving and inspirational story of the Nolan Moss clan a close knit black family of fifteen souls bound together by love living on the edge of existence struggling to eke out a living plowing the hard red clay on a small plot of ground in the isolated backwaters of Tallassee Alabama The head of the family is Charlie Nolan Moss the patriarch a devout man of strong character proud fiercely independent and deeply spiritual He is bound and determined by the grace of God to provide for and protect his family despite the ever present threats and challenges that are a part of everyday life in the racist and repressive atmosphere of the Jim Crow South Yet in spite of all his efforts vigilance and prayers bad things still happen

The Lightning Tree Thomas Alan Ebel, 2019-11-19 When U S Marshal Sam Begay first discovered the wolf hair clues he never expected they would lead him to a string of murders The Reservation deaths appeared accidental random and unrelated until he found a connection in an old High School yearbook An ancient Spanish gold coin he carried was part of the mystery and it put his own life in danger as it drew him closer to an evil malignant being called a skinwalker

The Lightning Tree Emily Woof, 2016-07-05 From the author of *The Whole Wide Beauty* Transcendent What unfolds is a story not just of young love but of how to cope when it is lost and shattered Financial Times United Kingdom circa the 1980s Ursula and Jerry find themselves surrounded by hip hairdos and dominating parents The future looks bleak if they do not change their lives dramatically Both are itching to escape their current lives and engage with the wider world Ursula s work as a teacher takes her far away to India to instruct disabled children while Jerry accepts a scholarship to Magdalen College but only to highlight the absurdity of privilege Their written exchanges are deep political and full of irony All the while Jerry stays committed to Ursula in mind but not in body questioning their relationship and the nature of their love Woof succeeds in conveying the infinity of moments that make up a lifetime The New Yorker An unusual but convincing love story that charts the often distant lives of her two distinctive and appealing characters written with wit and a lyrical flourish The Daily Mail Engaging In precise lyrical prose Woof creates empathy for her characters struggles and desires Kirkus Reviews Woof is a storyteller and you can tell this from the first few pages The Times London Woof finds humor and poignancy in the gulf between how things are and how they ought to be The Observer A quixotic forceful voice An indubitable talent The Guardian
