small force to the border of Syndic space But what he finds there is a danger much greater than anyone expected a mysterious threat that could finally force the Alliance to its knees As Geary spearheads a desperate battle to protect the Alliance against a shrewd and powerful enemy he s left with just one question Who are they Triumphant Jack Campbell,2020-04-28 A young fleet officer and a Marine must stand together to defend their neighbors and their colony in this return to the powerful and action packed Genesis Fleet saga from New York Times bestselling author Jack Campbell The recently colonized world of Glenlyon has learned that they re stronger when they stand with other star systems than they are on their own But after helping their neighbor Kosatka against an invasion Glenlyon has become a target The aggressive star systems plan to neutralize Glenlyon before striking again An attack is launched against Glenlyon s orbital facility with forces too powerful for fleet officer Rob Geary to counter using their sole remaining destroyer Saber Mele Darcy s Marines must repel repeated assaults while their hacker tries to get into the enemy systems to give Saber a fighting chance To survive Glenlyon needs more firepower and the only source for that is their neighbor Kosatka or other star systems that have so far remained neutral But Kosatka is still battling the remnants of the invasion forces on its own world and if it sends its only remaining warship to help will be left undefended against another invasion While Carmen Ochoa fights for the freedom of Kosatka Lochan Nakamura must survive assassins as he tries to convince other worlds to join a seemingly hopeless struggle As star systems founded by people seeking freedom and autonomy will Kosatka Glenlyon and others be able to overcome deep suspicions of surrendering any authority to others Will the free star systems stand together in a new Alliance or fall alone **Boundless** Jack Campbell,2021-06-15 Admiral John Black Jack Geary may have saved the Alliance only to destroy it in this thrilling and eagerly awaited continuation of the New York Times bestselling series Geary believed in the Alliance Even when he uncovered overwhelming evidence that the highest echelons of the government and fleet command were involved in secret programs and prison camps he believed it was worth saving And that his duty was to see that justice was served even though some factions feared that revealing the truth would cause the Alliance to crumble But after narrowly surviving two assassination attempts when he brings evidence of the misdeeds to the capital star system Geary realizes that some have decided the easiest way to make the Alliance s problems go away is to get rid of him He finds himself ordered to undertake a perilous new mission outside of the reaches of human occupied space while the Senate clashes over the evidence Geary s warships must escort a diplomatic and scientific mission across the dangerous disintegrating remnants of the Syndicate Worlds empire But even if he can make it to Midway Star System the gateway to alien controlled space Geary will face former Syndicate officials who have rebelled and regard the Alliance with deep suspicion And that will be the easy part **The Lost Fleet: Beyond the Frontier: Guardian** Jack Campbell,2014-04-29 Admiral Geary s First Fleet of the Alliance has survived the journey deep into unexplored interstellar space a voyage that led to the discovery of new alien species including a new enemy and a possible ally Now Geary s mission is to ensure the safety of the Midway Star System which has

revolted against the Syndicate Worlds empire an empire that is on the brink of collapse To complicate matters further Geary also needs to return safely to Alliance space not only with representatives of the Dancers an alien species but also with Invincible a captured warship that could possibly be the most valuable object in human history Despite the peace treaty that Geary must adhere to at all costs the Syndicate Worlds regime threatens to make the fleet's journey back grueling and perilous And even if Geary escorts Invincible and the Dancers representatives home unharmed the Syndics attempts to spread dissent and political unrest may have already sown the seeds of the Alliance's destruction *Ascendant* Jack Campbell, 2018-05-15 A young fleet officer and a Marine stand together to defend their colony in the continuation of the powerful and action packed Genesis Fleet saga from New York Times bestselling author Jack Campbell In the three years since former fleet officer Rob Geary and former Marine Mele Darcy led improvised forces to repel attacks on the newly settled world of Glenlyon tensions have only gotten worse When one of Glenlyon's warships is blown apart trying to break the blockade that has isolated the world from the rest of human colonized space only the destroyer Saber remains to defend it from another attack Geary's decision to take Saber to the nearby star Kosatka to safeguard a diplomatic mission is a risky interpretation of his orders to say the least Kosatka has been fighting a growing threat from so called rebels who are actually soldiers from aggressive colonies When a peacekeeping force carrying thousands of enemy soldiers arrives in Kosatka's star system the people of that world including Lochan Nakamura and former Red Carmen Ochoa face an apparently hopeless battle to retain their freedom It's said that the best defense is a good offense But even if a bold and risky move succeeds Geary and Darcy may not survive it *Against All Enemies* John G. Hemry, Jack Campbell, 2005-12-27 John G Hemry's novels featuring Lieutenant Paul Sinclair give SF its own JAG SF Reviews net Now in the final novel in the series that melds science fiction action and page turning courtroom drama Sinclair finds himself fighting for justice once more and the danger is closer than ever before After a long tour as legal officer aboard the starship USS Michaelson Paul Sinclair is anticipating shore duty Too bad it's cancelled when a group of religious fanatics hijack a freighter and invade an asteroid Fearing they could threaten the earth with asteroid debris starships from several countries converge on the scene But their mission turns deadly when the South Asian Alliance opens fire on the asteroid After the smoke clears Paul suspects the Michaelson's rules of engagement have been compromised suspicions that are confirmed when NCIS asks him to work covertly as a spy Someone onboard the Michaelson is selling secrets and to uncover the traitor Paul must walk the dangerous line between duty and honor *Stark's Crusade* John G. Hemry, Jack Campbell, 2002-02-26 HE SWORE TO PROTECT AND SERVE NOW HE HAS TO CHOOSE BETWEEN THEM When the American Lunar colony was threatened he served his country in battle But when high ranking officers betrayed him and his soldiers he had only one choice rebellion Now Sergeant Ethan Stark is in charge of a rebel organization he never intended to create and the United States has just joined forces with its former enemy to insure his destruction Stark has no intention of compromising his honor even in the face of impossible odds He and his

soldiers have no desire to fight American forces but they are willing to pay any price to defend the rights of the colonists they were sent to protect Now Stark and his soldiers must fend off deadly aggression from their own country without igniting a full scale civil war

A Just Determination John G. Hemry, Jack Campbell, 2003-04-29 First in a superior military SF Booklist series that follows a young officer who must fight to see justice done Fresh from the Academy Ensign Paul Sinclair has been assigned to the warship USS Michaelson whose mission is to stop any foreign vessels from violating U S sovereign space When Captain Peter Wakeman mistakenly destroys a civilian science ship perceived as hostile Sinclair must testify against Wakeman at a court martial hearing But Sinclair believes that the severity of the charges against the captain are unjust and becomes a witness for the defense

Vanguard Jack Campbell, 2018-03-27 Jack Campbell returns to the world of the New York Times bestselling Lost Fleet novels with an action packed military science fiction series that explores the founding of the Alliance and the men and women who fought to create it Earth is no longer the center of the universe After the invention of the faster than light jump drive humanity is rapidly establishing new colonies But the vast distances of space mean that the old order of protection and interstellar law offered by Earth has ceased to exist When a nearby world attacks the new colony of Glenlyon turns to Robert Geary a young former junior fleet officer and Mele Darcy a onetime enlisted Marine With nothing but improvised weapons and a few volunteers Geary and Darcy must face down warships and armored soldiers or die trying As battles rage and pirates take an increasing toll throughout the colonies the only hope for lasting peace lies with Carmen Ochoa a Red from the anarchic world of Mars and Lochan Nakamura a failed politician They have a plan to lay the groundwork for mutual defense that could someday grow into an alliance But if their efforts don t succeed the growing power of aggressor worlds could turn regions of space founded on freedom into battlefields between the first interstellar empires

Imperfect Sword Jack Campbell (Naval officer), 2014 President Gwen Icen and General Artur Drakon have successfully liberated the Midway Star System but the former rulers of the Syndicate Worlds won t surrender the region without a fight The dictatorial regime has ordered the ex Syndicate CEOs terminated with extreme prejudice and the system s citizens punished for their defiance Outnumbered and led by junior officers hastily promoted in the wake of the uprising Midway s warships are no match for the fleet massing and preparing to strike

The Lost Stars: Shattered Spear Jack Campbell, 2016-05-03 The New York Times bestselling author of The Lost Fleet returns to the strong saga of a rebellion against a totalitarian regime and the determination of two people to create a better future in the farthest reaches of the colonized galaxy The Syndicate Worlds continue to splinter as more star systems pledge allegiance to President Gwen Icen General Artur Drakon and the new government they re establishing at Midway But the toxic legacy of Syndicate rule continues to undermine their efforts as the rebels encounter difficulty trusting one another and believing their new leaders promises of freedom from tyranny Before Icen and Drakon can put their house in order they must deal with an even greater threat An enigma warship has appeared and vanished near a Syndic colony If the aliens are capable of jumping into other

human occupied star systems then billions of people could be vulnerable to a hostile invasion fleet anywhere they choose to strike But an even greater vulnerability lies with Icenis and Drakon as a once trusted adviser turned saboteur plans revenge

Genre Go Round Reviews The Lost Fleet: Corsair #2 Jack Campbell, 2017-07-05 Captain John Black Jack Geary is an Alliance legend revered for his heroic last stand in the early days of the war against the Syndicate Long presumed dead Geary miraculously returned from survival hibernation a century later reluctantly taking command of the Alliance Fleet as it faced annihilation after a disastrous battle by Syndics Thanks to a brave rearguard action by Black Jack's relation Captain Michael Geary the fleet escaped destruction but Michael was captured and has been held prisoner by the Syndics despite the end of the war between the Alliance and Syndics which should have seen him freed Now Michael Geary has struck a deal with Executive Destina Aragon leader of the Tigris who has rebelled against the Syndic to help them capture a Mobile Forces Unit a Syndic battleship and help her troops get home **Talking Book Topics** ,2016 **Colorado School Journal** ,1899
