The Vitamin Cure for Arthritis Robert G. Smith, Ph.D., Todd Penberthy, 2015-01-01 The general explanation for the cause of arthritis is that over time our joints simply wear out that is the cartilage that lubricates the ends of the bones simply gets worn thinner and thinner until one bone wars directly on another causing pain and lowering our quality of life It stands to reason that wear and tear is responsible for some of the damage It is considered a progressive disease meaning that once the symptoms are diagnosed they tend to get worse Yet arthritis can be reversed The process of degradation and regrowth in a joint is a dynamic process that continues throughout life Arthritis results when the joint does not recover from damage Most people may not realise it but they have a direct influence on the current and future health of their joints through their nutritional behaviour With the proper knowledge we can prevent degeneration from taking hold by improving our body's regeneration processes This book offers natural weapons we can use to defend and protect our joints from the destructive effects of poor nutrition and time This clear readable book describes the composition of joints and how they work within the body how normal healthy joints are supported and what can go wrong It describes the degenerative diseases that affect joints and explains the basis of orthomolecular natural megavitamin medicine from a scientific perspective There are several types of arthritis but they all involve degeneration of the joints and tissues surrounding them This book covers the different types Including Osteoarthritis OA Rheumatoid arthritis RA Gout Arthritis caused by infections or inflammation such as Borreliosis Lyme Disease fibromyalgia and psoriasis And more THE VITAMIN CURE FOR ARTHRITIS explains each form of arthritis and current and new medical treatments for them More importantly it describes the nutritional approach to help sufferers prevent further progress of the disease and even reverse it

Roughly 40 percent of the female population in the United States is in those middle years when perimenopausal symptoms have already taken hold or they are in the throes of menopause. Another 15 percent are defined medically as post menopausal. In other words, the root word menopause sticks around as a descriptor for more than half a woman's life and it currently is stuck to about 65 percent of the female population. That's 102 million people. Menopause has long been a branding category used by everyone from physicians to People magazine. A normal human event such as maturing is talked about as a medical condition with warning signs of ill health. But it does come with some natural side effects and those can cause problems with sexuality and intimacy surrounding it. Here, seasoned author Maryann Karinch tackles the subject head on through real life stories, interviews with experts in the area and common sense practices that will help readers enhance both the way they view themselves sexually and how they engage with romantic partners, both physically and emotionally. **Get Off Your Sugar** Dr. Daryl Gioffre, 2021-01-05. In his first book Dr Daryl Gioffre taught us how to fight inflammation by getting off unhealthy, highly acidic foods. Now he's targeted sugar because when you break your sugar addiction you cut out a major contributor to inflammation, brain fog, aging and chronic disease. You'll go from stress eating to strength eating with Dr Gioffre's life changing plan. Phase 1: Weed 7 days to detox your mind, body and diet. Phase 2: Seed 21 days to crush your cravings. Phase 3: Feed. A lifetime of satisfying, strengthening eating. With tips for customizing the plan including using clean keto and intermittent fasting to tune up your metabolism and sixty five craving stopping recipes.

Get Off Your Sugar is your guide to turning your body into a strength eating energy filled acid kicking machine
