

The poster features a dramatic illustration. At the top center, Khan Noonien Singh stands with his arms crossed, wearing a red and gold robe. Below him, the USS Enterprise is shown in a dynamic pose, firing its phasers. In the foreground, Captain Kirk (William Shatner) and Ilia (Persis Khambhata) are depicted. The background is a fiery orange and red, with silhouettes of Klingon warriors in the distance.

The Making Of Star Trek 2 The Wrath Of Khan:

The Making of Star Trek II, the Wrath of Khan Allan Asherman, 1982 **Star Trek II: The Wrath of Khan - The Making of the Classic Film** John Tenuto, Maria Jose Tenuto, 2024-04-30 An in depth look at the making of Star Trek II The Wrath of Khan featuring rare and previously unseen production art and new and exclusive interviews Forty years ago Star Trek II The Wrath of Khan saw Kirk and the U S S Enterprise crew face one of the greatest foes in Star Trek history Khan Noonien Singh as well as the death of Spock Celebrate this landmark anniversary by taking a deep dive into the stories behind this iconic science fiction classic This beautiful coffee table book is full to the brim with rare and previously unpublished archival material behind the scenes photography production art cut scenes script extracts and much more alongside new and exclusive interviews with the creatives including director Nicholas Meyer **The Literary Galaxy of Star Trek** James F. Broderick, 2006-04-18 How is the android Data like Shakespeare s character Hamlet Is the vengeful Khan original series episode Space Seed and the film Star Trek II The Wrath of Khan an echo of Captain Ahab in Moby Dick The links between Star Trek and literature are vast themes and characters that reflect those in classic literature characters that quote literature in their dialog and an enormous body of nonfiction books novels articles that have grown from the saga Finally like literature Star Trek seeks to help in the human endeavor of understanding the world and its place in the universe This book explores all of those connections The Next Generation s Captain Picard frequently quotes Shakespeare Captain Janeway from Voyager reenacts literature in holodeck novels Jake Sisko son of Deep Space Nine s Commander Benjamin Sisko becomes an award winning writer Beginning with Captain James T Kirk s first appearance in the original series then continuing through four subsequent series and ten movies this book draws parallels between Star Trek stories and literary classics such as Hamlet Paradise Lost Ulysses Dracula and the New Testament and works by the likes of Booker T Washington Edgar Allan Poe and William Shakespeare Appendices list the literary works discussed and the episodes and movies mentioned each giving the chapters where references can be found **Star Trek , Editing and Special/Visual Effects** Charlie Keil, Kristen Whissel, 2016-08-26 Most moviegoers think of editing and special effects as distinct components of the filmmaking process We might even conceive of them as polar opposites since effective film editing is often subtle and almost invisible whereas special effects frequently call attention to themselves Yet film editors and visual effects artists have worked hand in hand from the dawn of cinema to the present day Editing and Special Visual Effects brings together a diverse range of film scholars who trace how the arts of editing and effects have evolved in tandem Collectively the contributors demonstrate how these two crafts have been integral to cinematic history starting with the trick films of the early silent era which astounded audiences by splicing in or editing out key frames all the way up to cutting edge effects technologies and concealed edits used to create the illusions Throughout readers learn about a variety of filmmaking techniques from classic Hollywood s rear projection and matte shots to the fast cuts and wall to wall CGI of the contemporary blockbuster In addition

to providing a rich historical overview Editing and Special Visual Effects supplies multiple perspectives on these twinned crafts introducing readers to the analog and digital tools used in each craft showing the impact of changes in the film industry and giving the reader a new appreciation for the processes of artistic collaboration they involve

The First Star Trek Movie Sherilyn Connelly, 2019-10-11 The story of Star Trek's resurrection between the 1969 cancellation of the original series and the 1979 release of Robert Wise's *Star Trek: The Motion Picture* has become legend and like so many other legends it tends to get printed instead of the facts Drawing on hundreds of contemporary news articles and primary sources not seen in decades this book tells the true story of the first successful Star Trek revival After several attempts to relaunch the franchise *ST TMP* was released on a wave of prestige promotion hype and public frenzy unheard of for a film based on a television show Controversy surrounded its troubled production and 44M budget earning it a reputation at the time as the most expensive movie ever made After a black tie premiere in Washington D C its opening in 856 North American theaters broke multiple box office records a harbinger of the modern blockbuster era Despite immediate financial success the film was panned by both critics and the public leaving this enterprise nowhere to boldly go but down

The Routledge Handbook of Star Trek Leimar Garcia-Siino, Sabrina Mittermeier, Stefan Rabitsch, 2022-07-21 The Routledge Handbook of Star Trek offers a synoptic overview of Star Trek its history its influence and the scholarly response to the franchise as well as possibilities for further study This volume aims to bridge the fields of science fiction and trans media studies bringing together the many ways in which Star Trek franchising fandom storytelling politics history and society have been represented Seeking to propel further scholarly engagement this Handbook offers new critical insights into the vast range of Star Trek texts narrative strategies audience responses and theoretical themes and issues This compilation includes both established and emerging scholars to foster a spirit of communal trans generational growth in the field and to present diversity to a traditional realm of science fiction studies

Adaptations Deborah Cartmell, Imelda Whelehan, 2013-06-17 *Adaptations* considers the theoretical and practical difficulties surrounding the translation of a text into film and the reverse process the novelisation of films Through three sets of case studies the contributors examine the key debates surrounding adaptations whether screen versions of literary classics can be faithful to the text if something as capsulated as Jane Austen's irony can even be captured on film whether costume dramas always of their own time and do adaptations remake their parent text to reflect contemporary ideas and concerns Tracing the complex alterations which texts experience between different media *Adaptations* is a unique exploration of the relationship between text and film

Visualization Methods in High Performance Computing and Flow Simulation W. Borchers, 1996-12 The developments of new algorithms in applied mathematics of new concepts in computer sciences and of new hardware in computer technology have led to an immense output of data streams describing the solutions of important physical or technological problems In order to understand and to explore the results of calculations new visualization methods have been developed These novel methods are indispensable for

mathematicians and engineers working with problems such as flow theory or elasticity These proceedings contain selected contributions from the DFG workshop on visualization held at the University of Paderborn January 18 20 1994 and will be of interest to researchers in the above mentioned fields

Star Trek and Sacred Ground Jennifer E. Porter, Darcee L. McLaren, 2016-02-24 Drawing on a number of methodologies and disciplinary perspectives this book boldly goes where none has gone before by focusing on the interplay between Star Trek religion and American culture as revealed in the four different Trek television series and the major motion pictures as well Explored from a Trek perspective are the portrayal and treatment of religion the religious and mythic elements the ritual aspects of the fan following and the relationship between religion and other issues of contemporary concern Divided into three sections this detailed study of religion myth and ritual in the Star Trek context extends the boundaries of the traditional categories of religious studies and explores the process of the re creation of culture The first section explores the ways in which religion has primarily been understood in the Star Trek franchise in relationship to science technology scientism and secular humanism What do Star Trek and its creator Gene Roddenberry have to say about religion and what does this reveal about changing American perceptions about the role value and place of religion in everyday life Section Two examines the mythic power and appeal of Star Trek and highlights the mythic and symbolic parallels between the series story lines and themes taken from both western religious tradition and the scientific and technological components of contemporary North American Society In the final section contributors discuss the mythic and ritual aspects of Star Trek fandom How have Star Trek fans found meaning and value in the television programs and how do they express that meaning in their lives Contributors include Robert Asa Michael Jindra Larry Kreitzer Jeffrey S Lamp Peter Linford Ian Maher Anne Pearson Gregory Peterson and Jon Wagner
