The Last Goodbye Of Harris Turner A Ghost Story:

New York Magazine ,1986-04-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Oscar and Bosie Trevor Fisher,2002 The love story of Oscar Wilde and Lord Alfred Douglas surely ranks among the world s greatest romantic tragedies After Wilde s tragic bid to sue the Marquis of Queensberry for libel ended in total humiliation with his imprisonment exile and early death in Paris at the age of 46 the London literati split into bitterly opposed camps Some have believed that Bosie deserted a friend in need others that Wilde was the innocent victim of a long running family feud between an obsessed father and his pampered son Fuelled by the surviving correspondence successive biographies and Bosie s own polemical writing the arguments have merely intensified over the years Of Wilde however the question will always remain Why did he bring about his own downfall This book is that fascinating and complex story *Obituaries in the Performing Arts, 2018* Harris M. Lentz III,2019-06-17 The entertainment world lost many notable talents in 2018 including movie icon Burt Reynolds Queen of Soul Aretha Franklin celebrity chef and food critic Anthony Bourdain bestselling novelist Anita Shreve and influential Chicago blues artist Otis Rush Obituaries of actors filmmakers musicians producers dancers composers writers animals and others associated with the performing arts who died in 2018 are included Date place and cause of death are provided for each along with a career recap and a photograph Filmographies are given for film and television performers *Imperiled Whiteness* Penelope Ingram,2023-06-23 In *Imperiled Whiteness* Penelope Ingram examines the role played by media in the resurgence of white nationalism and neo Nazi movements in the Obama to Trump era As politicians on the right stoked anxieties about whites losing ground and being left behind media platforms turned whiteness into a commodity that was packaged and disseminated to a white populace Reading popular film and television franchises Planet of the Apes Star Trek and The Walking Dead through political flashpoints such as debates over immigration reform gun control and Black Lives Matter protests Ingram reveals how media cultivated feelings of white vulnerability and loss among white consumers By exploring the convergence of entertainment news and social media in a digital networked environment Ingram demonstrates how media s renewed attention to imperiled whiteness enabled and sanctioned the return of overt white supremacy exhibited by alt right groups in the Unite the Right rally in Charlottesville in 2017 and the Capitol riots in 2021 *Hammer Complete* Howard Maxford,2018-12-31 Think you know everything there is to know about Hammer Films the fabled Studio that Dripped Blood The lowdown on all the imperishable classics of horror like The Curse of Frankenstein Horror of Dracula and The Devil Rides Out What about the company s less blood curdling back catalog What about the musicals comedies and travelogues the fantasies and historical epics not to mention the pirate
