The Last Kingdom The Last Archangel Book 2:

The Branch Exposition of the Bible, Volume 2 Michael A. Eaton, 2024-09-30 A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and ordinary Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit Together with the New Testament volume this exposition of the Old Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the Old Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture The Holiest of the Holies (THOTH), the Last Testament Maitreya (Joseph Emmanuel), 2013-06-20 For thousands of years humanity has longed for a truth revelation or knowledge that explains the unity of God behind all mystical experiences previous revelations and religions of the world and the truth behind the universe science There have been mystical explanations of God from those claiming they have experienced the truth by direct contact with Spirit There are also those who have founded great religions of the world However a great confusion still reigns among spiritualists religions of the world and the many different branches within each religion If you study this Book carefully with a sincere mind and an Open Heart it will be revealed to you that the major religions on earth are not contradictory and separated at all In fact they are complementary and were sent to earth systematically by One God When this is understood the Path to Salvation Eternal Divine Path is known This book is the main writing of Maitreya of the Mission of Maitreya www.maitreya.org *Insights on the Book of Revelation* Alan B.
