The Lion And The Jewel:

The Lion and the Jewel Wole Soyinka, 1963 This is one of the best known plays by Africa's major dramatist Wole Soyinka. How the Lion hunts the Jewel is the theme of this ribald comedy. *The Lion and the Jewel* Wole Soyinka, 1964 English Literature and the Other Languages, 2022-06-08 The thirty essays in *English Literature and the Other Languages* trace how the tangentiality of English and other modes of language affects the production of English literature and investigate how questions of linguistic code can be made accessible to literary analysis. This collection studies multilingualism from the Reformation onwards when Latin was an alternative to the emerging vernacular of the Anglican nation; the eighteenth century confrontation between English and the languages of the colonies; the process whereby the standard British English of the colonizer has lost ground to independent Englishes: American, Canadian, Indian, Caribbean, Nigerian, or New Zealand English; that now consider the original standard British English as the other languages; the interaction between English and a range of British language varieties including Welsh, Irish, and Scots; the Lancashire and Dorset dialects as well as working class idiom; Chicano literature; translation and self-translation; Ezra Pound's revitalization of English in the *Cantos*; and the psychogrammar and comic dialogics in Joyce's *Ulysses*. As Norman Blake puts it in his Afterword to *English Literature and the Other Languages*: "There has been no volume such as this which tries to take stock of the whole area and to put multilingualism in literature on the map. It is a subject which has been neglected for too long and this volume is to be welcomed for its brave attempt to fill this lacuna." *The Lion and the Jewel* Edward Blishen, 1975-01-01 *Critical Perspectives on Wole Soyinka* Wole Soyinka, 1980 Distinguished scholars analyze the plays, poetry, and prose of Wole Soyinka, winner of the Nobel Prize for literature in 1986. Essays trace his career and place his work in the general context of African literature. *The Lion and the Jewel*: Play Soyinka, Wole, 1963 Modern Drama and the Rhetoric of Theater William B. Worthen, 1992-01-01 The history of drama is typically viewed as a series of inert styles. Tracing British and American stage drama from the 1880s onward, W. B. Worthen instead sees drama as the interplay of text, stage, production, and audience. How are audiences manipulated? What makes drama meaningful? Worthen identifies three rhetorical strategies that distinguish an O'Neill play from a Yeats or these two from a Brecht. Where realistic theater relies on the natural qualities of the stage scene, poetic theater uses the poet's word, the text, to control performance. Modern political theater, by contrast, openly places the audience at the center of its rhetorical designs, and the drama of the postwar period is shown to develop a range of post-Brechtian practices that make the audience the subject of the play. Worthen's book deserves the attention of any literary critic or serious theatergoer interested in the relationship between modern drama and the spectator. Postcolonial Identity in Wole Soyinka Mpalive-Handson Msiska,2007 Soyinka's representation of postcolonial African identity is re examined in the light of his major plays novels and poetry to show how this writer's idiom of cultural authenticity both embraces hybridity and defines itself as specific and particular For Soyinka such authenticity involves recovering tradition and inserting it in postcolonial modernity to facilitate transformative moral and political justice The past can be both our enabling future and our nemesis In a distinctive approach grounded in cultural studies Postcolonial Identity in Wole Soyinka locates the artist's intellectual and political concerns within the broader field of postcolonial cultural theory arguing that although ostensibly distant from mainstream theory Soyinka focuses on fundamental questions concerning international culture and political identity formations the relationship between myth and history tradition and modernity and the unresolved tension between power as a force for good or evil Soyinka's treatment of the relationship between individual selfhood and the various framing social and collective identities so the book argues is yet another aspect linking his work to the broader intellectual currents of today Thus Soyinka's vision is seen as central to contemporary efforts to grasp the nature of modernity His works conceptualize identity in ways that promote and modify national perceptions of Africanness rescuing them from the colonial and neocolonial logic of cultural denigration in a manner that fully acknowledges the cosmopolitan and global contexts of African postcolonial formation Overall what emerges from the present study is the conviction that in Soyinka's work it is the capacity to assume personal and collective agency and the particular choices made by particular subjects at given historical moments that determine the trajectory of change and ultimately the nature of postcolonial existence itself Postcolonial Identity in Wole Soyinka is a major and imaginative contribution to the study of Wole Soyinka African literature and postcolonial cultural theory and one in which writing and creativity stand in fruitful symbiosis with the critical sense It should appeal to Soyinka scholars to students of African literature and to anyone interested in postcolonial and cultural theory Soyinka's Language Ofoego, Obioma,2018-03-28 This book explores in depth the uses of language in Wole Soyinka's plays poetry and prose The author approaches Soyinka's works through meticulous close readings giving the writer his due by capturing the complexities ambiguities and nuances of his language Indian and New Literatures in English Dr. Shuchita Srivastav,Dr. Sanjay Sharma,2024-02-01 Purchase Book of Indian New Literatures in English for B A 6th Semester for all U P State Universities Common Minimum Syllabus as per NEP Published By Thakur Publication The Lion and the Jewel 'Biodun Onibonjo,1974 **The Lion and the Jewel** Wole Soyinka,1981 **The Lion and the Jewel in**
